2. **30 Hours Free Child Care**

*From 1st September* working parents of 3&4-year-olds who meet certain criteria can get 30 hours free child care per week for 38 weeks of the year.

*All families* will still be entitled to the existing 15 hours free childcare a week for 3&4-year-olds.

If you currently use a childcare provider, they may offer the 30 hours entitlement in September—however there is no obligation for them to do so. Please ask if you are uncertain.

**Parents** who wish to get 30 hours free childcare from September can apply now at the online Childcare Service [https://childcare-support.tax.service.gov.uk/par/app/applynow](https://childcare-support.tax.service.gov.uk/par/app/applynow)

3. **Childcare Choices**

The website - [Childcare Choices](#) - sets out all current and upcoming Government childcare offers and support available to parents, including the Tax-Free Childcare scheme and 30 hours, the 15 free hours, tax credits, Universal Credit and childcare vouchers.

5. Just One Norfolk

JUSTONENORFOLK.NHS.UK HAS LAUNCHED Welcome to the NEW ‘go to’ online health
website for Norfolk families https://www.justonenorfolk.nhs.uk/

Our Services
0-19 We deliver a range of community-based children and yps health services across Norfolk. Our aims are to:
• Build confidence in families, children and yp to care for their own health and wellbeing
• Help families, children and yp in Norfolk access the right services for advice and help
• Improve health outcomes for children and young people in Norfolk.

Resource Library
Looking for a leaflet, document or video? Why not take a look at our resource library where we store all useful materials for families and professionals? All you need to do is select the subject you’re looking for and the library will do the rest!

Baby Buddy App
The creators of the Baby Buddy app - Best Beginnings, are partners in Just One Norfolk. Want to know a little bit more about them?

On line Learning
New online learning to help parents, families, carers and professionals feel more confident
when looking after children and young people. Learning is split up into 3 sections:
understanding your child, understanding your baby, understanding pregnancy, labour, birth
and your baby. It is free to access using the Norfolk access code JON70.

6. Being 2: The Shared Review

If you would like some information to appear in the Service Directory, to unsubscribe or report an error please contact keith.mawson@norfolk.gov.uk
The Shared Review is now for all Norfolk’s two-year-old children **who attend an Early Years setting**. It brings together two assessments - the Early Years Foundation Stage Progress Check at age 2, that must be completed for all children attending a setting and the Two-Year Health Review that all children are offered. Please do the reviews between 27-30 months whenever possible.

Children who do not attend an early years setting at age 2 will still be offered a health review. If a child subsequently enters a setting before 36 months, then once the child is settled, early years practitioners must also carry out an EYFS progress check and share this with parents. The animation may answer questions as well. [https://www.powtoon.com/online-presentation/eTlTnbKvZoq/?utm_campaign=copy%2Bshare%2Bby%2Bowner&utm_medium=SocialShare&mode=movie&utm_source=player-page-social-share&utm_content=eTlTnbKvZoq](https://www.powtoon.com/online-presentation/eTlTnbKvZoq)

**What information is shared?**
Any information that will support the development of the child, including parents’ views, any strengths or concerns, the summary of the Progress Check and the Health Review. With families’ full consent and awareness, information can be shared (verbal and written) and a joint action plan agreed if necessary. Where appropriate, Children’s Centre services support should be included in the action plan.

**Informed consent for parents/carers**
We ask you to seek parents/carers agreement to share a summary of their child’s two-year progress check when it is completed. We hope you will enable parents to understand the benefits of sharing, so they are happy to give consent but recognise that parents/carers do not have to give consent. Their wishes must always be respected. Parents’ consent must be recorded using the form provided by the Achievement and Early Years’ Service, available on [www.norfolkchildcarejobs.com/resources](http://www.norfolkchildcarejobs.com/resources) access code: NorfolkBeing2.

**How Information can be shared with the Healthy Child Programme:**
**Verbally** – particularly if there are concerns about a child’s development – contact Just One Number on 0300 300 0123.
**In writing** when a Progress Check has been completed and consent gained to share with Norfolk County Council’s Achievement and Early Years’ Service, Children’s Centres and the Healthy Child Programme team, send: A copy of the progress check summary; a copy of the signed consent form; (The pink section of the joint summary sheet from the Red Book if it is available)

Either by post in a prepaid pre-printed envelope to: -

---

If you would like some information to appear in the Service Directory, to unsubscribe or report an error please contact keith.mawson@norfolk.gov.uk
Please mark the envelope as:
Private and Confidential

Or by secure email to being2@norfolk.gcsx.gov.uk
In the exceptional situation that consent is gained to share with the Healthy Child Programme team but not with Norfolk County Council’s Achievement and Early Years’ Service and Children’s Centres, the setting should send the same documentation to Just One Number:

Private and Confidential
Norfolk CYP Health Services, Unit 3 Cringleford Business Centre,
Intwood Road, Cringleford, Norfolk NR$6AU

Or by secure email to: CCS.NorfolkCYPHealthServices@nhs.net

The Progress Check template is the best way to share information
It includes everything that we need. If you use your own form, please ensure you at least complete the grey sections of the Progress check template provided including the child’s name, date of birth and address, as well as the Early Years setting attended and name of the member of staff who did the check and your contact details.

The Joint Summary Sheet is not included in all Red Books – supplies have been given to Children’s Centres to pass on to Early Years settings. Please let them know if you need more copies.

Who fills out what? The joint summary sheet needs to be filled out by both the health and early year’s professionals. The joint summary sheet has 2 carbon copies under the white cover sheet – yellow and pink.

With parent’s consent, you are welcome to remove the pink copy when both sets of contact details are included, so that conversations about the review/check can happen. It is mainly

If you would like some information to appear in the Service Directory, to unsubscribe or report an error please contact keith.mawson@norfolk.gov.uk
for the Child’s Red book – the information we need is all contained on the summary sheet, so it is not essential to send this sheet in.

Resources available
We have created a download portal to help you access resources to advertise Being 2 to your families and to Early Years settings: bit.ly/norfolkcyportal

• Leaflet and poster to promote the review.
• Article for any newsletters or updates to parents and stakeholders.
• One-page parents and carers guide for families when the child does not attend a setting, so that they can consider if they have any concerns about elements of their child’s development.
• Being 2 Shared Review comment cards, so that parents can feedback to the Healthy Child Programme team about their experience.

Up to date paperwork including the progress check and the consent form are on:

7. **Healthy Weight Promotion**  

**Healthy weight promotion: consistent messages – resources published**

PHE has published a suite of resources focused on promoting a healthier weight for children, young people and families. These resources are intended to support health and care professionals to be consistent and provide a core set of healthy weight messages throughout the life course. This suite of resources is part of Public Health England’s All Our Health ‘call to action’ for health and care professionals. Resources can be accessed [here](#) and include:

- **Consistent messaging infographics:** For use in practice. Each infographic highlights the key evidenced based healthy weight messages for specific age or target groups.
- **Consistent messaging slide sets:** The aim of these slides is to be used as a training tool to inform workforce development. It provides detailed evidence based healthy weight messages from preconception through to age 18 years. It includes links to a range of useful free resources including e-learning and guidance documents.
- **Child obesity animation:** This animation demonstrates for all health and care professionals their vital role in supporting children, young people and families to maintain a healthier weight to prevent and reduce childhood obesity, from pregnancy through to the transition to adulthood

8. **Home-Start Norfolk**

‘Helping Children, Changing Lives’
Home-Start Norfolk offers, support, friendship and practical help to parents with young children across Norfolk

Home-Start Norfolk offers a unique service, recruiting and training volunteers - who are usually parents themselves – to visit families at home who have at least one child under 5, to offer informal, friendly and confidential support.

To help children get the best possible start in life, Home-Start Norfolk supports parents, across the county, to grow in confidence, strengthen their relationships with their children and widen their links with the local community. In doing so, parents are empowered to function effectively and independently in their day to day lives.

**Time to spare?** Perhaps you could become a Volunteer?
Volunteers come from all walks of life. They are recruited for their friendliness, practical approach and understanding, and are matched with families after completing an accredited preparation course.  **Is this you?**

9. **ChildLine App**
ChildLine have launched an app to provide counselling to young people in need of help directly through their mobile devices. ‘For Me’ is the first app to counsel young people via smartphone. Service includes

- 1-2-1 chat with a counsellor
- 'Ask Sam' problem pages
- Private locker – a personal area where young people can track their mood and thoughts

Free download can be obtained from [https://www.nspcc.org.uk/what-we-do/news-opinion/childline-launches-new-app/](https://www.nspcc.org.uk/what-we-do/news-opinion/childline-launches-new-app/)

10. Baby Buddy Free App

Baby Buddy is a free app, available on the App Store and Google Play and our web version. This NHS accredited has been designed in collaboration with parents, academics, doctors, midwives and other organisations.

Baby Buddy is your personal baby expert – a virtual friend who will guide you through your pregnancy and the early stages of your baby’s life.

Crisis Messenger:
Within Baby Buddy you can access the Baby Buddy Crisis Messenger – a free 24/7 confidential text support from a trained counsellor when you’re in emotional pain or a crisis.

The trained volunteer will introduce themselves by text, reflect on what you’ve said, and invite you to share at your own pace. You’ll text back and forth, only sharing what you feel comfortable with. By asking questions, listening to you and responding with support, they will help you sort through your feelings until you both feel you are now in a calm, safe place.

12. Baby Basics West Norfolk

Baby Basics exists to provide essential equipment, clothing and toiletries free of charge to families who are unable to provide for themselves. Requests must come from a professional who works alongside the family and not directly from the individual in need. If you identify a family who is in need please follow this process:

- Ask them if they would like to receive items from Baby Basics
- Identify specifically what items are needed.
- Email or call your local Baby Basics team to make the referral.
- You will be asked for the following information:
  - You: Name, agency and your contact details.
  - Your Client: Name, due date of baby, gender (if known) and items needed.
  - Any other information you think is important for us to know.
  - The team will be able to let you know if the items needed are available and will give you an indication of how long it will take to prepare.
  - You will be notified when the items are ready for collection.
  - Make arrangements with the Baby Basics team about collecting the items. Items must be delivered to the client by the referrer or other professional.
  - Baby Basics is unable to offer a delivery service.

Our aim, where possible, is to have items ready to be collected one month before the baby is due, giving the family time to sort through the items given and feel confident that they have what is needed. It really helps us to have referrals in as early as possible.

One of the core items that we put together is a Starter Pack – a Moses basket packed with new-born clothing, bedding, a towel suitable for a new-born, nappies and other toiletries for both mum and baby. Please note that although the Moses baskets themselves are second hand we always replace the mattresses with brand new ones.

13. **Toddler Clothing Bank**

**NCT WEST NORFOLK**  
*Baby and Toddler Clothing Bank*

Do you work with families who are in need of a helping hand sometimes? NCT West Norfolk is a volunteer run branch of the UK’s largest parenting charity. We support local parents in many ways but one of them is that we coordinate a clothing bank for children aged 0-5 (approx). We collect good quality new and second hand clothing and shoes from those wishing to donate, sort the donations, then lovingly pack them into bundles for each individual case referred to us. We pass the bundles to professionals who work with the families and they, in turn, pass them on to the families in need.

Is this a service you could use? Get in touch with Alix at alixbirks@live.com to find out more.

Find us on Facebook: NCTWestNorfolkBranch  
Website: www.nct.org.uk/branches/west-norfolk  
Charity Number: 801396

The whole service is free of charge.  
Is this a service you could use? Please do get in touch if you have any questions. NCT currently have lots of stock and would love to see it go to new homes! Please feel free to pass this email on to others within your organisation too if they might also know of babies/children who could benefit from our service.

15. Dispute Resolution Separated Parents Information Programme

The Separated Parents Information Programme (SPIP) is a course designed to help parents/carers become clear about what their children need most from them and learn the fundamental principles of how to manage conflict and difficulties between separated parents – including how to put this into practice.

The Programme encourages parents/carers to take steps for themselves; this may include developing agreements that do not need court intervention. The Programme will give you ideas and signpost ways in which you can get help outside court, and you are expected to make use of these where possible. If this leads to agreed arrangements that are safe and beneficial for children, the court will help with this process. The majority of parents that go on the course find it very helpful.

A SPIP might be appropriate for parents (or other parties) when:

- you have difficulty focussing on your children’s needs due to ongoing conflict
- you find that your feelings and reactions to the separation are affecting your ability to communicate about your children
- you would like communication to improve, perhaps you are thinking about mediation
- there are no safeguarding concerns about children or parents

The SPIP course is a CAFCASS designed course and Action for Children have been commissioned to deliver it within the Norfolk area. They receive referrals direct from CAFCASS for parents who are within the court process & have been court ordered to attend but are also able to receive self-referrals from parents direct or from support services working with parents who may benefit from attending a SPIP for a fee of £90 per parent.

16. Children effected by Imprisonment

**Breaking Barriers**
A free service to support children of offenders

*Do you work with a family where there is a child who would benefit from our support?*

Ormiston Families have been funded to provide free, dedicated 1:1 support to children and young people (5-16 years) who are affected by having a close family member in prison. We would like to work with you to identify children and young people who would benefit from the support which our *Breaking Barriers* service can offer. The children and young people may typically be experiencing:

- **Anxiety**: limited understanding or false perceptions of prison and prison life, difficulty sleeping, concentrating or socialising.
- **Changes in behaviour**: poor behaviour in school or home, low school attendance, risk of exclusion, bullying.
- **Social exclusion**: loss of friends and family; change of school and community.

By providing a safe space to talk, play and express themselves, we enable them to explore their feelings. We help them to break down some of the barriers that may prevent them from engaging with school or family, and from maintaining positive ties (as appropriate) with their imprisoned family member.

</tr>
</thead>
<tbody>
<tr>
<td><a href="mailto:claire.dixon@ormistonfamilies.org.uk">claire.dixon@ormistonfamilies.org.uk</a></td>
</tr>

</table>

We can initially talk through the referral to make sure that *Breaking Barriers* is the right service for the child before I contact the parent and arrange to meet with the child (usually in school) for a series of weekly 45-minute sessions over 6 - 8 weeks.

I would be very happy to hear from you – either about a particular child, or just to let you know more about the service.
17. HMP Norwich Family Service

Phoenix Futures Family Service

18. Parentline

Are you a parent or carer of a child or young person (0-19 years) living in Norfolk?

In addition to our just one number service you can now text our messaging service where you can talk to our practitioners for health-related advice or information

07520 631 590
19. Family Line Service

Being a parent or carer to a child or young person can often be difficult without emotional support and guidance there to help. Many parents feel confused by what information is available or struggle to access services close to home.

The free Family Line Service tackles these issues in a new and innovative way by using a network of volunteers from across the country to support parents and carers through telephone calls, email and text message.

The service aims to:
- Provide both immediate and long-term support
- Help with practical information and guidance
- Provide emotional and listening support
- Help with understanding and accessing relevant services and information
- Provide regular one-to-one befriending support to parents feeling isolated

How it works
A team of trained volunteers with the knowledge and experience of parenting issues support parents and carers via telephone, text and email.

Family Line Service provide a listening ear, answer those parenting questions or help with guidance around more complex issues. They can also provide longer term support through regular sessions with our befrienders and counsellors. All via telephone, text message or email for free.

How to access the service
Any parent or carer from anywhere in England and Wales can get in touch with the service for free via telephone, text message or email, using the below details.

Opening times: Monday to Friday 6pm-10pm Saturday and Sunday 10am-1pm

Telephone: 0808 802 6666
Text message: 07537 404 282
Email: familyline@family-action.org.uk

20. Family lives – Confidential Help Line

Family Lives offers a confidential and free* (*Free from landlines and most mobiles) helpline service for families in England and Wales (previously known as Parent line). Please call us on 0808 800 2222 for emotional support, information, advice and guidance on any aspect of parenting and family life. Our helpline service is open 9am – 9pm, Monday to Friday and 10am – 3pm Saturday and Sunday.

Email support
Our lines do get very busy, if you are unable to get through, you may want to email us for support, advice and information. Please email us at askus@familylives.org.uk. We aim to respond within 24 hours, Monday to Friday.

How we help
We listen and give you the space to talk, helping you to explore your situation and identify the way forward. Listening means that we let you, the caller, direct the conversation to wherever you want to go. We will take what you say seriously, and not minimise it. We may ask you some questions to help us fully understand your situation and explore your feelings, and help you talk through options or consider specific Organisations, which may be able to help you. We do our best to provide you with as much helpful information and support and encouragement as we can, and then we hope that that puts you, as the expert on your own life, in a good position to make whatever choices are best for you. Core to our Organisations values is to ensure that you will be listened to with empathy, care and respect. We cannot offer legal or medical advice.

24. Theresa Tiny Treasures

Theresa’s Tiny Treasures provide a free service to any family who has lost a baby at any stage of pregnancy or soon after birth.

The service has been offered to the local hospital in Kings Lynn, Norfolk. Hopefully, once charitable status has been obtained, the service will be officially accepted at this hospital.

At the moment families can contact via my Facebook site (Theresa’s Tiny Treasures) where you will see my logo detailed on this page. I will endeavour to meet all your needs in this interim time until charitable status arrives so please contact me on the Facebook messenger site.

I can also attend any funeral directors in a 30-mile radius of Kings Lynn, I am willing to go further afield should circumstances arise.

I can provide bereavement photography, made with love keepsakes and sets of clothing to choose and dress baby in.

A selection of keepsakes can be offered, these may include:
- Footprints in glass
- Hand and footprints onto ceramic
- Angel charms
- Bespoke keepsake jewellery and keyrings
- Button art
- Laser engraved wooden stars
- Baby keepsake quilts
- Baby blankets
- Sibling gifts
- Sibling books lending library

I always follow up my initial visit with further visits at home or a place of a family’s choosing. I will be available to support families for as long as they need me. Many of the families I have worked with since October 2015 have become very good friends and I am blessed to have them in my life.

The charity offers a free service, it is hoped that it will continue to be free and will be run on the donations of families who can afford to give a little, they will support families who can afford nothing.

25. Nelson’s Journey

Update on changes to the referral process into Nelson’s Journey, with effect from 1st March 2018: Due to the continued high demand, and occasional inappropriate, referrals to Nelson’s Journey’s services we have reviewed our referral process and have changed our process as follows:

- Following all professional referrals, we will send a letter/email to the parent/carer inviting them to contact us to take/complete the referral process. A copy will be sent to the referrer.
- At this stage the parent/carer will discuss the child’s needs with a duty worker and if the service is deemed appropriate a 1:1 assessment will be arranged.

Or

- Where appropriate the parent/carer will be offered continued access to our support line.
- Parents/carers will be sign posted to a more relevant service where necessary.

How you can help:

- Where possible could you encourage parents/carers to contact Nelson’s Journey directly?
- If you make the initial referral, please gather as much information about the child/young person and the detail of the bereavement and call our support line to discuss the referral.

Each family will be sent a tailored information pack once we have spoken to them.

Our NJ Support Line is open:
Monday 9am – 4.30pm
Tuesday 9am – 4.30pm
Wednesday 1.30pm – 4.30pm
Thursday 9am – 4.30pm
Friday 9am – 4pm

26. Mpower service to Women

**Mpower service to women who have had children removed**

As part of Ormiston Families’ Connect Programme, Mpower offers a service to women who have had at least one child removed from their care and who need additional support in understanding the reasons behind this. Mpower helps by addressing the issues that led to removal, with the aim to reduce the likelihood of it happening again. Often these women do not feel in a position to seek support through other means. We build a trusting, non-judgemental relationship and help women focus on themselves.

The service has just started operating in Kings Lynn and West Norfolk Contact

27. Get Me Out the Four Walls

**Get Me Out the Four Walls** was created to ensure that no mother, father or carer feels alone and isolated at home after the birth of their children. By creating informal social meets, we aim to give as many people in Norfolk the opportunity to escape their house and meet others which we believe helps prevent the on-set of Maternal Mental Illness such as Post Natal Depression and to help aid stabilisation of mental health and social prescription. We also strive to support as many mothers that become known to us that are struggling with a mental illness by offering 1 to 1 peer support and post-natal depression specific social meets delivered by our friendly non-judgemental ambassadors.”

31. Supported Internships (Younger People)
A Supported Internship is for young people with SEND (Special educational needs and disabilities) who have an EHCP (Education, Health and Care Plan) to provide support in the workplace, enabling them to move into employment. A Job Coach will match the skills of the young person with appropriate job roles, negotiate with employers and attend in the workplace, supporting the young person to carry out their work.

Off job training is also provided such as English, Maths and personal development skills. An internship can last for a year and the intended outcome is the offer of a job with the employer. Norfolk County Council has funded Job Coach training for 28 staff across a range of organisations including FE and private training providers, day services, schools and voluntary groups.

32. Volunteering Match and Mentor Project

**Match and Mentor**, based in West and South Norfolk, offers opportunities for individuals with learning disabilities and/or additional support needs, in the following:

- To enable individuals to choose what they would like to be involved in
- To enable individuals to access community activities.
- To enable individuals to acquire new skills and access training that will support them to achieve independence.
- To enable individuals to access both mainstream and personalised activities — including volunteering, training, work experience and social activities.

All our support will be based on a person-centred assessment and support plan which will achieve the objectives chosen by each individual.

Each individual can choose to access as much (within reason) or as little of the service as they choose each week and we can be flexible in the way the service is accessed so that each individual can vary their programme of support to meet their changing needs.

For any enquiries please contact Helen Cooper on 01366 385839 or at helen.cooper@volunteeringmatters.org.uk
33. Employment for learning disabilities

MATCH Norfolk Specialist Employment Service for people with learning disabilities

“Our goal is to improve the quality of life for people with learning disabilities by offering support and realistic employment opportunities”

Our objectives are:
● To support Norfolk’s Learning Disability community in identifying, securing and sustaining employment
● To work with individuals, their families/carers and support network identifying jobs that would best match their skills
● To create pathways to local employment opportunities by removing or reducing the barriers individuals may face
● To focus on a person’s ability and not their learning disability and support them in their future aspirations
● To identify companies who would support work placements, job tasters and work trials leading to paid employment
● To enable individuals to access the labour market through systematic instruction whilst sourcing high quality training opportunities
● To promote and champion disability awareness in the workplace
● To supply experienced job coaches who are able to meet the challenges of employment for a person with learning disabilities

35. Positive Behaviours Support course

The Positive Behaviour Support Course (PBS)

Is a 3-week course (2hrs a week) for parents or carers of a child they believe may have ASD or ADHD, or who is on the waiting list for assessment of ADHD or ASD.

Developed by Stephanie Summers and Melanie Bruce from NCH&C, the PBS course looks at the child’s behaviour as communication. Families have the opportunity to discuss their own situation, as well as meeting other people in similar situations. The aim is to help identify possible internal and external triggers for behaviour, and from there, consider strategies to support the child to manage this. By the end of the three weeks, parents will have completed the PBS plan, which a personal plan is built upon the child’s individual needs. This can be used to support the child’s behaviour at school, with grandparents and in other settings.

36. ADHD Parenting Programme

Being an ADHD parent can be a challenge, taking incredible patience and strength. Our ADHD Programme for Parents is specifically about ADHD parenting.

Many parents understand the basic principles of parenting, but we believe this isn’t enough to effectively support our children. ADHD children perceive, process and learn things very differently. When there is a lack of working memory and up to 90% of ADHD cases having genetic links we now know that generic parenting courses will not work for ADHD. We need a deeper understanding of ADHD which will allow parents to reframe the way we look at it and identify any genetic kinks.

For more information and to book go to our website and it’s under Training & Qualifications.

39. Autistic Society West Norfolk Branch

Here at NAS West Norfolk we are all volunteers, and the branch is entirely self-funded. The committee are all parents or carers of someone with autism or are on the autistic spectrum themselves.

We fundraise for a range of autism specific activities, including:
- soft play sessions, both for children and adults
- swimming sessions
- trampolining
- bush craft
- music groups
- support groups
- workshops

We have also been involved in lobbying the government for services.

Becoming a member of NAS West Norfolk is easy and FREE! Just email in to the branch requesting to join.

Membership is open to anyone caring for someone with a diagnosis of autism, or on the waiting list for assessment for autism. If you are an adult on the autistic spectrum yourself, you are also very welcome. Members can benefit from our autism friendly activities, as well as access our branch library and join in at our allotment. The coffee mornings are open to members and non-members alike, so do come and join us!

40. ASD Helping Hands

Due to the increase in referrals and limited funding available for ASD Helping Hands, we have needed to adapt our service to ensure we can meet the needs of those we support across Norfolk more effectively.

ASD Helping Hands have introduced new family support policy and procedures effective from September 2018

Please note any referral now received directly via phone/email will not be accepted. We can still take consultations via telephone for advice but if a referral is decided it will need to follow the attached procedure.

We accept referrals from any source, but if you are putting a referral in for a third party please ensure that you have sought and gained their permission, if this has not been done ASD Helping Hands will destroy the referral upon receipt and take no further action supporting the family, until a new referral with permission is obtained.

All referrals must be sent in via the online referral from found on our website at https://www.asdhelpinghands.org.uk/referal-form There is a downloadable form if there are difficulties in completing the online referral and these can be sent to: referal@asdhelpinghands.org.uk Copies of the new Policy and procedures can be obtained from the website https://www.asdhelpinghands.org.uk/

ASD Helping Hands Special Educational Needs accredited courses are designed for teaching assistants and learning support staff or colleagues working with SEN students in a range of settings including courses to help you understand specific types of SEN. All our qualifications are part of your staff member’s continuous professional development (CPD).

Whether you’re working in a special school, in a mainstream setting or an organisation supporting individuals’ special educational needs, we have a wide range of courses to support you in developing your knowledge, skills and expertise. Our experienced course leaders bring with them a wealth of experience and a huge number of highly practical ideas, meaning that you’ll return to work inspired and empowered to use what you’ve learnt.

If you’re new to your role in SEN, our level 1 & 2 awareness courses will prove invaluable, whilst more experienced SEN staff will benefit more from our Level 3 & 4 courses aimed at developing your role.

44. **Annual Health Checks**

People with learning disabilities often have poorer physical and mental health than other people. This doesn't need to be the case. The Annual Health Check scheme is for adults and young people aged 14 or above with learning disabilities who need more health support and may otherwise have health conditions that go undetected.

**Who will get an Annual Health Check?**
People aged 14 and over who have been assessed as having moderate, severe or profound learning disabilities, or people with a mild learning disability who have other complex health needs, are entitled to a free annual health check.

**How do you get an Annual Health Check?**
Adults and young people aged 14 or above with learning disabilities who are known to their local authority social services, and registered with a GP who knows their medical history, should be invited by their GP practice to come for an Annual Health Check.

**What happens at an Annual Health Check?**
The Annual Health Check lets the person with learning disabilities go to their GP practice and have aspects of their health checked. It also allows them to talk about anything that's worrying them. During the health check, the GP or practice nurse will carry out the following for the patient:

- a general physical examination, including checking their weight, heart rate, blood pressure and taking blood and urine samples
- assessing the patient's behaviour, including asking questions about their lifestyle, and mental health
- a check for epilepsy
- a check on any prescribed medicines the patient is currently taking
- a check on whether any chronic illnesses, such as asthma or diabetes, are being well managed
- a review of any arrangements with other health professionals, such as physiotherapists or speech therapists

**Is it compulsory to have an Annual Health Check?**
No. All parts of the health check are voluntary. Anyone who's having the health check, or their carer, can ask the GP or practice nurse for more information about the process. The patient can then give their consent before any tests or procedures are carried out.”

45. Disabled Students Allowance

If you have a disability or specific learning difficulty and are studying in higher education, you may be eligible for Disabled Students' Allowances (DSAs). These allowances cover extra disability-related costs or expenses you have while studying which are over and above those provided as reasonable adjustments by the college or university. There are four allowances to cover different areas of need.

- Specialist equipment allowance
- Non-medical helper’s allowance
- General and other expenditure allowance
- Travel costs.

DSAs are not paid in set amounts because they depend on what you need. Payments cover the cost of specific items of equipment, specific support worker costs, and so on. Apart from travel, there are maximum amounts for each allowance.

DSAs are not intended to pay for disability-related costs that you would have whether you were a student or not, such as personal care support or study costs that every student might have.

46. Funding Guide for Students 16-25 with SEND

Funding of students 16-25 with SEND - A Quick Guide Council for Disabled Children

The Preparing for Adulthood programme have produced a new guide on funding for students aged 16-25 with SEND. The system can be complex and difficult to navigate, and this guide answers key questions, giving links to further information and tools. The Education, Skills and Funding agency and Local Authorities supply different types of funding for young people with SEND, such as the high needs funding. The guide provides background and detailed information about the types of funding available for students.

47. Build Charity

BUILD is a Norfolk based independent registered charity providing social, leisure and learning opportunities to people with sensory, physical or learning disabilities. Established in Norwich 1967, The BUILD Charity provides a wide range of community based activities across Norfolk, with opportunities to take part in social clubs, gardening, outdoor and cultural activities as well as skills learning workshops.

BUILD does not provide medical or personal care, but welcomes people who want to use its services to bring that care with them.

At BUILD we aim to treat people like people, value their involvement and contribution, and offer them the opportunities in life that most of us normally take for granted.

Information on all our services is available by calling 01603 618029 or emailing info@buildcharity.co.uk

Build runs regular Fuse Parties in Kings Lynn and Ten Pin Bowling in Dereham for times dates and venues please check the Activity Programme

48. New Local Offer Section

The new Local Offer for children and young people launched at this year’s Family Voice Norfolk Conference. Many different groups of children and young people in Norfolk contributed their ideas about what information they wanted and how they wanted to access it.

The result is an easy-to-navigate, colourful and accessible section for children and young people aged between 10 and 25 years which we hope will support them to:

- think about their goals
- prepare them to share their views, wishes and aspirations
- help them to make informed choices about their future.

Please explore and share it with your children and young people.
49. **Mencap Learning Disability Helpline**

The Learning Disability Helpline is our free help and advice line. Our advisors can offer you advice and information about learning disability and help you find the right support and services in your area.

Our advisors are available from 9am to 5pm, Monday to Friday.

You can get in touch by:

- phoning 0808 808 1111
- emailing helpline@mencap.org.uk.

Alternatively, please let us know your query by completing this online form and we'll get back to you as soon as we can.

**Who can access the Learning Disability Helpline?**

Anyone can contact the Learning Disability Helpline about anything to do with learning disability. We provide information and advice for people with a learning disability, families and carers. The Learning Disability Helpline also provides information and advice to anyone wanting to know about learning disability issues and services.

50. Mencap Gateway

For Adults 18+.
Our Senior Gateway Club meets in King's Lynn on alternate Monday evenings from 7.00 to 9.00. The club is a popular meeting place to socialise with friends, to take part in organised activities, to have fun or to just relax in a warm friendly environment! It is run by a committee of members and volunteers who help to choose the activities to be included in the programmes which are produced every year.

For Young People 4 to 18
Our Junior Gateway club meets every Monday evening during term time. It offers a wide range of activities to youngsters aged 4 upwards including crafts, games, bingo and trips to the beach, ten pin bowling and to the pantomime. The club is run by a team of enthusiastic volunteers working under an experienced leader.

53. Personalised Travel Payments

The Personalised Travel Payment (PTP) is a new scheme for SEND Transport that is being trialled for 12 months.

A PTP is a sum of money that the local authority (NCC) offers to parents/carers with a child or young person who has Special Educational Needs or Disabilities (SEND) to enable them to make their own arrangements to take their child/young person to and from school. This is an alternative to other Local Authority provided transport such as a taxi or a minibus.

A PTP is for a child or young person with or without an Education, Health and Care plan (EHCP) attending their nearest appropriate special school or other specialist provision, who needs specialist transport. They must meet the general criteria within the home to school transport policy regarding age and distance, which would qualify them for free home to school transport

55. New Speech & Language web pages

The local offer team have recently worked with East Coast Community Healthcare and Family Voice Norfolk to improve the information about speech and language on the Local Offer.

The new and improved webpages provide information to support parent carers who are concerned that their child may have speech, language and communication needs (SLCN).

- Children's speech language and communication needs
- Children's speech language and communication support
- Speech and language resources
- Children's speech and language therapy service
- Speech and language therapist
- Independent speech and language therapy

From April, with the launch of a new directory, we will be moving towards having all provision and services that are part of the Norfolk local offer in the directory.

56. **Boom! Young Carers**

**GROUP ATTENDANCE AND TRANSPORT**

At each group we offer a range of fun activities, a chance to socialise with other young carers and supportive staff, and transport for those unable to get to the groups themselves. To top it off all members get a chance to eat a tasty meal. All of this is free for Young Carers.

In order for young carers to be able to attend the group we **must have** completed parental consent and medical forms. If there are any changes to these or to your contact details during the year please can you inform us in writing or by email.

Email reminders are sent on Thursdays the week before the group and text reminders for each group a few days before the group. You **MUST** reply either by text or email to let me know if you need transport and if you want attend. If I do not get a reply we will be unable to book transport or cater for your young carer and they will be unable to come to that session.

57. **Supporting Young Adult Carers**

Our Transitions project is designed to help young adult carers reach their full potential in life. A Young Adult Carer is somebody aged between 16 and 24 years old who cares for, or is affected by, a family member who has any of the following: Physical disability, Long-term physical illness, mental health problem, Learning difficulty, and Drug or alcohol misuse problem.

Caring can mean giving someone practical help, like helping a parent to get dressed, but it can also be in the form of emotional support, for example caring for someone with mental health problems.

**Someone to talk to**

It can be really helpful to offload or talk through the things that are worrying you. This might be about money worries, bereavement, or your emotional wellbeing. We offer confidential one to one appointments with specialist Young Adult Carer Support Workers, and can meet at home or in the community at a time that suits you. We can also provide direct access to our counselling service.

**Time for you**

We run regular socials and days out for Young Adult Carers to offer a break from their caring role and the opportunity to meet other young people with similar experiences. This also provides a chance to learn new skills and have new experiences. We can explore arranging extra support for the person you care for to allow you to have a break.

**Family support**

We understand that the person you care for or other people in your family may need support as well. We can provide specialist support to improve family relationships and referrals to other agencies who may be able to help members of your family.

**Advice**

We can help you to make sure you and your family are accessing the right benefits and support, and apply for specialist funding including driving grants and education bursaries.

59. Young Carers Advice Line

If you are a Young Carer or your child, relative or friend might be, we’re here to help you:

- Find your way through local services
- Get support for the person you’re caring for
- Get the right support at school or college
- Understand your rights
- Connect with local groups and services
- Look after your health and wellbeing

As a Young Carer, here are some things you might do to help:

- Helping with medication
- Cooking and cleaning
- Shopping
- Supporting with washing and dressing
- Going to appointments
- Helping sort out money and pay bills
- Encouraging, supporting and reminding

If you’re ever unsure, please do contact us. We’re here to help young carers and families and are contactable 7 days a week.

How can you access the support we offer?

We’re creating a dedicated website for Young Carers & Families in Norfolk. It’s full of information to help you make sense of being a carer and offering flexible support around you. Whilst we finalise the website, as a young carer and family you can still receive support from us, whether you would like to chat with someone online, we have Advisors available via ‘ask’ on the website or perhaps you want to talk to someone over the phone, you can call the freephone Advice Line on 0800 083 1148, who can support you and your family with information and advice. If you need some more help or guidance they can connect you with a Carer Connector in your local area, who can sit down with you and your family to look at further support.

Care and support in Norfolk
Many people can stay independent with little or no support from health and social care services, other people have a range of care and support needs and may need some help. We are working with voluntary organisations in Norfolk to help you to:

• Get the information and advice you need to plan for your current and future care needs
• Remain as independent as possible and stay in your own home
• Get the care and support services you need
• Carry on caring and look after your own wellbeing if you’re a carer

67. **Millennium Trust for Carers**

**Grants for Carers**
The Norfolk Millennium Trust for Carers aims to offer unpaid carers a better quality of life by giving small grants (up to £300) for practical items like washing machines and laptops, power packs for wheelchairs and short breaks. Every year the Trust helps hundreds of carers across the county, young and old alike, from pensioners looking after a disabled spouse to children juggling schoolwork and the needs of a poorly parent.

The Trust was born out of the We Care Appeal, launched through the Eastern Daily Press, in October 1998 after research identified the huge number of unpaid carers and the need to help them. The appeal’s aim was simple – to establish an enduring charitable trust giving financial and practical help to unpaid carers in their crucial and often undervalued roles. In 2017 Norfolk Community Foundation was appointed to undertake the management and administration of the Norfolk Millennium Trust for Carers.

For more information about how a grant might help an unpaid carer living in Norfolk, please contact the grants team at Norfolk Community Foundation.

68. **Carer Grants**

Carers Trust currently has a grant fund open for individual adult carers, aged 16+.

Carers can apply for grants of up to £300 for items or activities that will benefit them in their caring role, for example for

- Breaks for carers, with or without the person they care for.
- Items for the home including cookers, fridges, beds and washing machines.
- Driving lessons and other travel costs relating to caring roles.
- Courses and materials to develop carers’ skills and personal development.
- Home repairs.
- Short-term or time limited replacement care.

To apply contact your local carer services so they can advise you. They will need to complete a supporting statement for you on the application form. Carers Matter Norfolk are able to act as a referrer.

69. **Carers E-Learning Portal**

CarersMatterNorfolk launched the UK’s first dedicated comprehensive eLearning Portal for unpaid carers. Unpaid carers are part of the extended workforce in health and social care but often don’t receive any training and support to help you care with confidence.

The e-Learning Portal is a fantastic way of finding our information relating to specific needs or subjects of interest.

It provides support for all ages: Adult Carers, Young Carers, Parent Carers and Family Members. Covering a range of subjects, from Lifelong Skills and Healthy Living, through to Transitions, Safe Moving & Positioning, Dementia Care and Substance Misuse. There is a mix of formal e-learning modules, instructional YouTube videos and other resources.

The feedback and response has been very positive, from carers and professionals. We are very proud of our eLearning Portal and want to develop it further with your help. If you have any questions or suggestions about the Carers Matter eLearning Portal, please contact the team at educationandtraining@carersmatternorfolk.org

We've also created a 30 second tutorial to show how it works. You can watch the video by clicking the image above or go straight to the e-Learning portal by clicking here

73. New Link Service from Point 1

Working together to improve children and young people's mental health

Could you be a Mental Health Champion?
Are you a frontline professional working with children and young people?
Would you like to feel more confident in responding to their emotional wellbeing and mental health needs?
Would you like to know more about the specialist support services available to them in Norfolk and Waveney?

If so, be part of the new Link Service from Point 1 and be trained to become a Mental Health Champion. We are currently developing and training a network of Mental Health Champions who will share their new knowledge amongst their colleagues of the mental health issues affecting children and young people and the types of support available. For more information about this role and whether you are eligible to apply, download the Mental Health Champion Role Specification.

Mental Health Champion Foundation Training

If you would like to be a Mental Health Champion you will need to attend our free 2-day foundation Training. We will run a number of these Foundation sessions across Norfolk & Waveney, starting in April 2018. These initial sessions form part of the Link Service's rolling programme of free training events and consultations which will include specialist topics such as self-harm, attachment, anxiety and working with families.

Further details of training events with dates and locations will follow in due course.

Referrals to Point 1

Please note that the Link Service cannot offer support for specific referrals into the Point 1 service. If you have any queries regarding referrals, either current or pending, please contact SPOC on 0800 977 4077 or email

74. New 1:1 Service for 13-19-year olds

One-to-One Coaching Sessions for Positive Health and Wellbeing for 13-19-year olds

What is it?

- The Matthew Project is offering a new service funded by West Norfolk Youth Advisory Board, specifically aimed at 13–19-year olds who are suffering from mental health issues such as depression and anxiety, but at a low level and do not reach the threshold for services such as CAMHS or Point 1.

- We can offer a one-to-one service for young people from the Kings Lynn and West Norfolk area who fit this criterion, offering coaching sessions over a 6-8-week period. These sessions will focus on motivation, self-confidence and if appropriate introducing them to clubs and organisations in their area.

- If the level of need is determined to be higher than this service can offer, we are able to signpost and refer to other services.

Please contact gina.summerskill@matthewproject.org or call 01603 216420 for more information and to request a referral form. One the referral is received we will contact the young person via their preferred means within 48 hours and arrange an initial appointment.
75. Self-harm App

stem4 is a teenage mental health charity aimed at improving teenage mental health by stemming commonly occurring mental health issues at an early stage.

Young people have just as much right to accessing facts about good mental health as they do good physical health, and yet there is a lack of accurate information. Embarrassment or social stigma surrounding mental health issues can so easily lead to confusion with what may be normal development, as opposed to the early development of a mental health issue.

By sharing information on how to recognise early warning signs and by providing effective strategies in how to deal with them, we aim to stem these conditions early on.

76. Children at risk of Suicide

New NSCB guidance: What to do if you believe a child or young person is at risk of suicide

This guidance has been produced for everyone who engages directly with children and young people in their day to day work and who may become aware of a young person's suicidal thoughts or intentions. It is specifically aimed at professionals who have no training or expertise in the field of mental health and who do not have a role in the formal assessment of risk.

The purpose of this guidance is to ensure that the wider children's workforce has an understanding of the process to be followed in Norfolk where concerns about possible risk of suicide exist. Everyone has a responsibility to identify young people at risk, including the risk of suicide, and to share information when action may be required to protect a child or young person.
77. Suicide Prevention

Norfolk County Council have launched a series of resources to help support individuals considering ending their life. The ‘Safety Plan Diary’ and ‘Keeping Safe’ guides are based on advice and experiences of survivors of suicide and their families to offer practical help for individuals and professionals, as well as friends and relatives who may be concerned about somebody they know.

Whether you work with vulnerable people, know someone who may need some support, or are looking for help yourself we all have a role to play.

The information, tools and resources found here are the results of a county-wide partnership approach to reducing the numbers of those taking their own life in Norfolk.

For more information see

78. Suicide Prevention App

The new Stay Alive App from Norfolk County Council is a pocket suicide prevention resource for the county, packed full of useful information and tools to help you stay safe in crisis.

The Council’s public health team have launched this as part of its suicide prevention campaign.

This app is a lifeline for somebody who may be considering ending their own life. It’s also very useful if you are concerned about someone else who may be considering suicide. It’s simple to use, and importantly will put you in touch instantly with local support organisations. It contains practical self-help ideas, a safety plan as well as a Life Box where you can store photos and memories that are important to you.

It has been successfully used across other areas in the UK For more information about the resources available to those at risk of suicide visit www.norfolk.gov.uk/iamokay
79. Support line Emotional Support

Support Line offer confidential emotional support to children, young adults and adults by telephone, email and post. We work with callers to develop healthy, positive coping strategies, an inner feeling of strength and increased self-esteem to encourage healing, recovery and moving forward with life. We also keep details of counsellors, agencies and support groups throughout the UK.

82. Transitions and Resilience

West Norfolk Mind have launched a new service called Supporting Transition and Resilience STAR which provides emotional support for young people aged 17-25.

The service is still running but the eligibility now states that we can only take referrals for individuals who have been discharged from Mental Health Services such as Thurlow house, Crisis Team, Early Intervention Team etc., within the last 6 months. We can now only support individuals within the transition period into the community.

We are still able to take referrals from other organisations as long as they fit into the new eligibility criteria. For example, if they have someone that they come into contact with that has been involved with the above mental health services but need support in the transitioning stage of getting back into community life then we are able to take that as a referral. The length of the service and what we can support with is still the same and the referral form is still the same at the moment but this is subject to change.

This is not a crisis service but aims to support young people suffering from depression, anxiety, OCD and many other conditions and who are receiving limited support or have been discharged from community mental health services.

It offers:
- One to one support
- Social groups and activities
- Workshops
- Support to access employment or training

Due to limited resources the service is not suitable for young people with ADD/ADH, Autistic Spectrum Disorders or learning difficulties.

89. New Mental Health Services in Norfolk

From 1 March 2018, NCC will work with a partnership of local mental health service providers working together to deliver a new mental health service.

Supported living and community enablement
This new service brings together three types of existing services. The existing services are detailed below.

- **Six supported housing schemes across Norfolk**
The schemes support up to 93 people at any one time. These schemes do not offer permanent homes, but are a stepping stone to increased independence and for most people are not a home for life.

- **Housing related floating support**
Currently supports between 330 and 380 people at any one time in their own homes. This service also works with people who are in a mental health hospital bed and who have housing problems, including homelessness.

- **Personal assistant services**
We purchase these services from a range of organisations. These services support people to manage their mental health and live independently in their own homes. The services support people with building up their community networks and use of community services. These services support around 190 people at any one time.

**Where will the new services be located in Norfolk?**
Services have been grouped together in three geographical areas, with an additional community-based intensive support service in the Greater Norwich area. The localities are:

- West Norfolk CCG area
- Central Norfolk (North and South Norfolk and Norwich CCG)
- Great Yarmouth locality
- Greater Norwich (intensive support)

The contracts for the new services were awarded to a partnership of local mental health service providers, involving Together for Mental Wellbeing, West Norfolk Mind, Norwich and Central Norfolk Mind, Great Yarmouth Mind and St Martins Housing. The new contract will start in March 2018.

90. Norwich & Norfolk OCD Group

The UK’s Leading OCD Voluntary Support Group
UK Registered Charity

A Welcoming Monthly OCD Voluntary Support Group

Now in our 15th year, you will find this popular, well-established and large group very supportive and welcoming. We have a committee of dedicated Volunteers that will welcome you. We receive exceptional feedback from those that have attended our meetings and some members have been regular attendees for several years.

Our Voluntary Support Groups are open to those with OCD, carers and family members who want to gain a better understanding of this anxiety disorder. The group offers empathy, support and psychoeducation in a non-judgmental, confidential environment and an opportunity to share/communicate knowledge and personal experiences. We address Unwanted, Intrusive Thoughts, Rumination, Hoarding, Fear of Contamination, Symmetry and Checking etc.

Confidential discussions relating to OCD

By way of discussion and debate, this group is very positive, practical and constructive in its approach to overcoming the difficulties of OCD. Psychoeducational sessions are offered including Cognitive Behavioural Therapy (CBT), Mindfulness, The Conscious versus the Subconscious Mind, Communication Skills, Goal Setting and Assertiveness to name a few.

These group meetings are confidential and led by a fully accredited, professional UK registered Psychotherapist and Counsellor specialising in OCD, anxiety and depression. There is no charge for these groups.

Our group meets on the first Tuesday of every month from 6:30pm to 8:30pm at:

YMCA Norfolk are proud to offer both the Adult and Youth Mental Health First Aid courses ensuring that people of all ages are offered the support and guidance they need for mental well-being. Mental health affects 1 in 10 children and is also the biggest cause of illness within the workplace in the UK. Mental Health First Aid courses equip employers, teachers, parents, caregivers and other professionals to offer better support and guidance around mental health issues, as well as improving confidence and raising awareness.

‘A child’s emotional health and wellbeing influences their cognitive development and learning as well as their physical and social health and their mental wellbeing in adulthood’ (Public Health England, 2015)

We also offer sessions in schools or youth groups for young people to help improve wellbeing and raise awareness; topics covered include self-harm, body confidence, exam stress, depression and anxiety. We can also tailor sessions to areas of well-being that are pressing issues in your setting.

If you would like any more information in regards to these sessions then please contact mindmatters@ymcanorfolk.org or call us on 07894 566615.
93. **Rethink Mental Illness Advice Service**

**Rethink advice and information service**

*We believe a better life is possible for millions of people affected by mental illness.*

Today we directly support almost 60,000 people every year across England to get through crises, to live independently and to realise they are not alone. And we change attitudes and policy for millions.

**Advice and information**

*We provide expert, accredited advice and information* to everyone affected by mental health problems. When mental illness first hits you or your family, it can be hard to know who or what to trust. We give people clear, relevant information on everything from treatment and care to benefits and employment rights. We were the first mental health charity to gain the [Information Standard](https://www.rethink.org/about-us) for our trusted and relevant information.

**Services and groups**

We have over 200 [mental health services](https://www.rethink.org/about-us) and 150 [support groups](https://www.rethink.org/about-us/our-mental-health-advice) across England. From psychological therapies and Crisis and Recovery Houses to peer support groups and housing services, we directly help thousands of people every year across England. [Find out what we have near you](https://www.rethink.org/about-us). Over 90% of people using our services say they are respected, listened to and get the right kind of support. If you want support online instead, go to our pages on [Facebook](https://www.facebook.com/rethinkmentalillness) and [Twitter](https://twitter.com/rethink). It’s easy to find a good supportive chat or lively debate going on every single day.

**Advice & Information Service**

Our Advice Service offers practical help on issues such as the Mental Health Act, community care, welfare benefits, criminal justice and carers rights. They also offer general help on living with mental illness, medication, care & treatment.

94. **Online Support for Mental Health**

Elefriends is a supportive online community where you can be yourself. We all know what it's like to struggle sometimes, and this is a safe place to listen, share and be heard. Whether you're feeling good right now, or really low, it's a safe place to share experiences and listen to others. Shared experiences and perspectives are valuable and powerful. In this way Elefriends don't just get help, they give help too. In the good times and the bad. Elefriends is for people over 18.

Elefriends is managed by [Mind, the mental health charity](https://www.elefriends.org.uk/) and its setup was generously supported by the Cabinet Office’s Social Action Fund.

99. Dove Self Esteem Project
Welcome to the Dove Self-Esteem Project
At Dove, we believe that no young person should be held back from reaching their full potential – but in the UK, 9 out of every 10 girls with low body esteem put their health at risk by not seeing a doctor or by skipping meals.

Since 2004, Dove has been building self-esteem in young people – and by 2020, we’ll have helped 40 million through our educational programmes.

100. Tackling Period Poverty
Libraries in West Norfolk are now running a service to provide Fee sanitary products to those who find themselves unable to afford them (no proof needed no questions asked)
Visit a library pick up and order form and tick the products you need - up to 2 items. Hand your form to a member of staff to receive your bag of items
Could you help libraries in West Norfolk to support people in our area who are unable to afford sanitary products?
You can donate sanitary items (towels tampons and bags for people to carry them) at any of our libraries ;> Dersingham Downham Market Gaywood Hunstanton Kings Lynn
We’ll be collecting donations from January and will be making items available to those in need from the end of the month
101. The Hygiene Bank

Join us in our mission is to eradicate hygiene poverty in the UK

We believe no-one should be left struggling to wash their hair, brush their teeth, change their baby’s nappy as often as needed or be unable to afford sanitary protection because of low wages, high housing costs, benefit cuts, illness, bereavement or situations like abuse.

Breaking the stigma
Hygiene is about wellbeing, self-confidence and dignity. We know that a lack of access to hygiene products can cause trauma and anxiety in those who are vulnerable. With hygiene poverty comes a social stigma that affects all areas of life; work, school and relationships.

Who are we?
The Hygiene Bank is a registered charity, made possible by volunteers. We encourage the local community to donate hygiene essentials, beauty and personal care products. We then collect, sort and distribute products to those that can’t afford them via charity partners.

Donation drop-off points
Wilko and Tesco in Gaywood.

108. **Coroners Court Support Service**

The Coroners’ Courts Support Service (CCSS) is an independent voluntary organisation whose trained volunteers offer emotional support and practical help to bereaved families, witnesses and others attending an Inquest at a Coroner’s Court.

Our organisation was set up by the Founder Trustee who attended an Inquest with her cousin whose son, David, had tragically died in a road traffic collision abroad. As David’s body was brought back to this country an Inquest had to be conducted.

An Inquest can be a traumatic experience for anybody involved. Our aim is to help, guide and support everyone attending an Inquest. The CCSS’s trained volunteers will guide people through the often complicated and bewildering process and explain the Inquest procedure to you, helping you have a much better understanding of your role with this often unfamiliar environment.

The volunteers at Court meet anxious people every day from many different backgrounds, circumstances and lifestyles and understand the importance of supporting everyone attending with a non-judgmental attitude.

If you would like to talk to a volunteer before the day of the Inquest we have a telephone helpline available Mon – Fri 9.00 am – 7.00 pm and Saturday 9.00 am – 2.00 pm.

Please call **0300 111 2141** or e-mail **helpline@ccss.org.uk**

Please contact the office on 0300 111 2140, the Helpline on **0300 111 2141** or **info@ccsupport.org.uk** to find out more or to receive information about our organisation or attending a Coroner’s Court.

We can also signpost you to other organisations that may be able to help in the longer term.
109. CGL Drug & Alcohol Service

We are now live: Your new single integrated, recovery-oriented service provided by CGL went live on April 1st 2018, providing one integrated adult alcohol and drug behaviour change service across Norfolk.

We will continue to support the work currently being undertaken by children’s and adult social care, to provide a seamless transition into the new arrangements for those families that are currently receiving intervention. CGL are committed to practice which promotes the wellbeing, health and safety of children and adults at risk, and are proposing the co-location of substance misuse practitioners within MASH Hubs and Children’s Centres as part of the new delivery model. These details will be made available as they are confirmed.

Who are Change Grow Live (CGL)?
We provide help and support to adults, children, young people and families. Our services include health and wellbeing, substance misuse, mental health, criminal justice, domestic abuse and homelessness.

How you can support families during the transition
Services are now up and running and we are working to ensure that all service users are contacted and offered an appointment as soon as possible. If you, or the families you are working with have questions or would like more information about these changes you can:

Satellite clinics
Open access assessments are available during evening clinics by appointment only until 8.00pm. In addition, we are now pleased to be able to offer telephone triage for those who find it difficult to drop in and wait. For a telephone triage please phone 01603 514096 (Option 1 for Norwich, 2 for Thetford, 3 for Great Yarmouth or 4 for Kings Lynn); you will complete a short form over the telephone and then be invited in for a personalised assessment at a time convenient to you.

If you have not yet been seen you will be contacted soon to arrange an appointment for a priority review with your keyworker to ensure the information we hold about you is correct and to update your recovery goals. Should you have any urgent needs please contact us on 01603 514096 to request an appointment.

We continue to look at additional locations to improve ease of access for those living some distance from the main hubs and we have already arranged satellite clinics in the following locations to build on provision within the community:

About Unity
The Matthew Project was successful in re-tendering for the provision of young people's drug and alcohol services in Norfolk. On 1st October 2014 the Under18 team became The Matthew Project: Unity, providing two new services in partnership with Norfolk & Suffolk NHS Foundation Trust, Norfolk Children's Services and Norfolk Carers Support.

Services for young people who misuse substances includes:
- Advice, support, brief interventions and treatment for young people and their families
- Comprehensive assessment and regular support or counselling with a care plan
- Harm reduction work including blood borne virus testing and vaccinations
- Community Prescribing, family interventions and access to residential treatment
- Support for parents

A new service for children and young people affected by the substance misuse of others is providing:
- Comprehensive assessment and regular support or counselling with a care plan
- Specific support for young carers in partnership with Norfolk Carers Support
- Group activities and the chance to have fun
- Parenting courses

The services also provides advice and consultation for professionals working with children and young people.

1-2-1 Services
Group work
We welcome consultation calls or emails! Please get in touch:

Accessing the Matthew Project: Unity
- Telephone call to Unity; giving relevant detail about the young person including information on their substance use.
- All referrers are offered an informal consultation meeting, to take place with the young person to check the appropriateness of the referral and assess if there is a need for a Family Support Process

113. National Association for Children of Alcoholics

Nacoa (The National Association for Children of Alcoholics) is a registered charity (No. 1009143), founded in 1990 to address the needs of children growing up in families where one or both parents suffer from alcoholism or a similar addictive problem. This includes children of all ages, many of whose problems only become apparent in adulthood.

Nacoa has four broad aims:
- To offer information, advice and support to children of alcohol-dependent parents
- To reach professionals who work with them
- To raise their profile in the public consciousness
- To promote research into the problems they face and the prevention of alcoholism developing in this vulnerable group

115. Sexual Assault Referral Centre

The Harbour Centre – also known as the Sexual Assault Referral Centre (same place) has 2 daytime crisis workers who deal with the immediate effects of a penetrative sexual assault and also out of hour’s crisis workers who deal with things over night.

We also have 8 ISVA’s (Independent Sexual Violence Advisors) 4 who work with under 21’s and 4 who work with over 21’s.

Our referral criteria is:
- Assault by penetration
- Attempted rape
- Rape

However if you feel that a sexual assault of any kind has significantly impacted a young person and feel that our support would be helpful to them then please put the referral in to be considered as these are being considered on a case by case basis.

The assault can be acute or historic.

Referral forms are found on our website: [www.theharbourcentre.co.uk](http://www.theharbourcentre.co.uk) under the professionals tab. Please put the referral with info missing if you aren’t sure, the centre manager can always contact you if needs be. Also don’t assume that someone else will have put a referral in (e.g. the police) as it doesn’t always happen.

We can work with a young person whether they are going through the police process or not. We will travel to the YP and they can be seen in school or outside school – it’s on their terms as is what other professionals they’re happy for us to have contact with.

The 01603 276381 number is a 24 hour helpline so people can call in the middle of the night if they are really struggling.
116. **Emergency Injunction Service**

The National Centre for Domestic Violence (NCDV) provides a free, fast emergency injunction service to survivors of domestic violence regardless of their financial circumstances, race, gender or sexual orientation.

The award-winning service allows anyone who has recently suffered or been threatened with domestic violence to apply for an emergency court injunction. This can sometimes be issued within 24 hours of making contact with us. We work in close partnership with the police, solicitors and other support agencies (Refuge, Women’s Aid etc.) to help victims obtain speedy protection.

Once completed the on-line form will go directly to the First Steps Team who will call the applicants soon as possible. Once the case has been assessed NCDV will keep you up dated as to its progress.

For more information or to start the injunction process go to:

http://www.ncdv.org.uk/

129. **Good Friend Guide for DA**

How to be supportive to a friend or family member experiencing abuse.

Are you looking for practical and simple advice on how to better support a friend in an abusive relationship? We’ve put a short guide together to do just that. Though this is not a definitive resource with all the answers for each individual case, it’s a good place to start especially if you’re feeling unsure or anxious. Don’t worry! You can do this...

There is no one-size-fits-all solution so take and leave the advice you’ll find here.

For now, we have decided to focus our attention on violent and abusive relationships in which the survivor is a woman. The relationships may be heterosexual or same-sex. Although CHAYN’s work is mostly aimed at women, the advice given in this guide can be used by anyone who believes it can be helpful to them, regardless of gender.

This guide is part of a continuing discussion about how we can support women in violent relationships. We welcome suggestions and contributions that will help us improve this guide. The guide was originally developed by Cagnesciolte in Rome and has been remixed by CHAYN.

130. **DWP Help for Victims of DA**

Domestic violence and abuse is still a huge problem in our society, with far-reaching and devastating impacts.

The cross-government definition of domestic violence and abuse is any incident or pattern of incidents of controlling, coercive, threatening behaviour, violence or abuse between those aged 16 or over who are, or have been, intimate partners or family members regardless of gender or sexuality. The abuse can encompass, but is not limited to:

- psychological
- physical
- sexual
- financial
- emotional

The government is fully committed to the prevention of abuse and the Department for Work and Pensions (DWP) has a range of measures designed to support people who flee violent and abusive households.

1. Informing DWP about the domestic violence and abuse
2. Providing evidence of domestic violence and abuse
3. Housing Benefit
4. Jobseeker’s Allowance (JSA) and Employment and Support Allowance (ESA)
5. Universal Credit
6. Benefit cap
7. Removal of the spare room subsidy
8. Discretionary Housing Payments
9. Migrant partner support

132. Supporting vulnerable Women 18+

What is the Wonder+ Scheme?
The Wonder+ Scheme is taking over from the Wonder Scheme to support women offenders and those at risk of offending living in Norfolk. It is a partnership between St Giles Trust, Future Projects and City Reach Health Services to offer advocacy, advice and guidance to women as well as helping them to access other services that may be of help to them.

Who is the Wonder+ Scheme available to?
The service will be available to women living in Norfolk or intending to live in Norfolk who meet the following criteria:

- Aged over 18 years of ages and:
- Attending one of the Police Investigation Centres (PICs) in Wymondham, Kings Lynn, Aylesham, Great Yarmouth and Bury St Edmunds.
- Engaging with the local policing teams and/or teams within the Early Help Hubs.
- In receipt of support from another statutory or voluntary agencies but requiring more specialist support.

What are the benefits of working with the Wonder+ Scheme?
The team will provide a non-judgemental, safe and confidential space. We will work alongside you to develop an individually tailored support plan which will incorporate your needs and goals. We offer support, advice, guidance and advocacy, both practical and emotional, such as:

- Housing
- Benefits / finance
- Education, training and employment
- Building / sustaining positive relationships (family, children, friends)
- Mental and physical wellbeing (including sexual health)
- Problematic substance and alcohol use
- Risky behaviour
- Domestic / sexual abuse and violence

The opportunity to receive support with the aim of preventing further involvement with the Criminal Justice System.

133. Footsteps – St Giles Trust

The project is female led and aims to support women, with a connection to London, West & South Yorkshire and Norfolk, at every stage of their Criminal Justice System (CJS) journey. The case model we adopt provides a holistic, tailored support service to women presenting as vulnerable, with complex and multiple disadvantage. We will provide a safe space where service users are confident in their options and choices, and ensuring that they have the opportunity to turn their lives around.

Footsteps is a specialist mental health service offering intensive resettlement support and flexibly filling potential gaps, meeting and supporting service users pre, post and at release, and those who are at risk of offending.

Support includes prison/police custody based and community assessments, meet at the gates service, local authority Homelessness Applications and access to supported housing. Service users will also be diverted from homelessness applications into suitable private rented accommodation where appropriate. Other interventions will include access to drug and alcohol services and rehab programmes, referral to family support, entry to employment, training and education and gang exit support through St Giles gang projects where criteria permits.

The Footsteps team comprise of a small group of St Giles Peer Advisors and Volunteers. Our Peer Advisers. We will also support them with their own needs, including sourcing paid employment.

Client Group:
- supporting women coming into contact with the Criminal Justice System
- Women with Mental Health and wellbeing needs
- Supporting women affected by ASD
- Women with children
- Women with multiple disadvantage
- Women who identified as extremely vulnerable (to domestic abuse for example).
- Women who are sex workers“

134. Norfolk & Suffolk Victim Care

Covering the whole of Norfolk and Suffolk, we’re a free, confidential support service specifically designed to help victims and witnesses of crime. Whatever has happened to you, whatever you may have witnessed and whenever it took place, our trained support staff will work with you to make sure you receive the help you need to cope and recover. It doesn’t matter if you have reported the crime to the police or not, or previously turned down offers of support – support is available if you need it.

How we can help you

Emotional support

Being a victim or a witness of crime brings up a huge range of emotions that can make you feel angry, sad, overwhelmed, scared and everything in between. However you feel, we’re here to talk, to help you make sense of everything. We can provide a safe place for you to talk through your thoughts and feelings, and to ask any questions you may have. Our support is completely confidential and independent.

Practical support

Filling in compensation claims, fitting home security measures, getting medical treatment and repairing damage to your property are just some of the examples of the practical challenges you may need support with following a crime. Everyone’s experience is individual – whatever you need, speak to us and we’ll tell you how we can help.

The Criminal Justice System

We can also help you prepare for going to court as a victim or a witness and explain your rights and what you can expect when going through Criminal Justice. Whatever you need, we’re here for you. Click here to contact us, or visit our help and support pages. On the website https://www.nsvictimcare.org/

- what sexual violence and harassment is
- schools’ and colleges’ legal responsibilities
- a whole school or college approach to safeguarding and child protection
- how to respond to reports of sexual violence and sexual harassment

138. Modern Slavery Helpline
Modern slavery is real. It is happening in our communities. An unseen crime, it hides in take-a ways, hotels, car washes, nail bars and private homes.

The Home Office predicts that there may be as many as 13,000 victims in the UK alone. There is no typical victim of slavery. **Victims can be men, women and children of all ages and cut across the population**, but it is normally more prevalent amongst the most vulnerable, minority or socially excluded groups

If you are a frontline professional, please look through this section which lists a range of useful links and websites with more information

139. Modern Slavery briefing note

Project Aidant is nationally coordinated activity aimed at targeting the threat of Human Trafficking and Modern Slavery. This will see nominated weeks of ‘intensification’ activity, which will focus on different nationalities and communities each time.

**Polish nationals**

National data highlights that the number of Polish nationals being referred for support due to this type of exploitation remains significant. The majority are referred for labour exploitation but other exploitation types include domestic servitude and sexual exploitation.

**How can I assist?**

In your roles, you could become aware of information that someone is being exploited in this way so be aware of some of the indicators of modern slavery and human trafficking:

<table>
<thead>
<tr>
<th>What to look for</th>
</tr>
</thead>
<tbody>
<tr>
<td>Those being kept as slaves might have their movements restricted</td>
</tr>
<tr>
<td>They may appear injured and malnourished</td>
</tr>
<tr>
<td>They may have a lack of belongings;</td>
</tr>
<tr>
<td>E.g. their passports and ID taken from them to stop them having freedom to leave</td>
</tr>
<tr>
<td>and work elsewhere. They may also wear the same clothes every day.</td>
</tr>
<tr>
<td>Are they avoiding eye contact and reluctance to talk to strangers?</td>
</tr>
<tr>
<td>They may not know their home or work address</td>
</tr>
</tbody>
</table>

**What should I do if I suspect someone to be a victim of modern slavery?**

If you think someone is in immediate danger you should call 999 to report it.

If there is no immediate threat then you can report to Police via 101.

Alternative routes to support are the Modern Slavery helpline (0800 0121 700) or The Salvation Army (0300 303 8151). Any other information that you think may be relevant can be provided in confidence for creation as intelligence by sending an email to CIB@norfolk.pnn.police.uk.

If you are part of a statutory organisation, please ensure you report your concerns to your safeguarding lead.
140. Norfolk Against Scams partnership

The Norfolk Against Scams Partnership (NASP) is a partnership of organisations committed to taking a stand against scams and aims to make Norfolk a scam free county. We are working together to protect and support residents and businesses in Norfolk from scams, doorstep crime and fraud. Being scammed or targeted by fraud can have a devastating impact on some of the most vulnerable people in Norfolk. It can also destroy small businesses.

The NASP will work alongside the existing Friends Against Scams network to bring together a wide range of Norfolk organisations who can, for example:

- raise awareness of the issues
- share advice & warnings on how to stay safe
- deliver training to clients or staff
- support people who have fallen victim to scams

The NASP will look to develop and share best practice around educating and raising awareness of the issues of scams, doorstep crime and fraud. This will ensure that whenever a person or business needing advice or support with a scam issue comes into contact with an NASP partner organisation, group or service they will receive clear and consistent advice. Where necessary they can be easily signposted on to other partners if further support is needed to deal with the issue.

If you are part of an organisation, group, charity or service and would like more information visit www.norfolk.gov.uk/nasp or email nasp@norfolk.gov.uk
141. County Lines Briefing

‘County lines’ is the term used to describe the approach taken by gangs originating from large urban areas, who travel to locations elsewhere such as county or coastal towns to sell class A drugs. Gangs typically recruit and exploit children and vulnerable young people to courier drugs and cash. Typically, users ask for drugs via a mobile phone line used by the gang. Couriers travel between the gang’s urban base and the county or coastal locations on a regular basis to collect cash and deliver drugs.

Gangs recruit children and young people through deception, intimidation, violence, debt bondage and/or grooming. Gangs also use local property as a base for their activities, and this often involves taking over the home of a vulnerable adult who is unable to challenge them.

County lines was first identified in 2014. The first National Crime Agency threat assessment on county lines was published in August 2015 based on information gathered in 2014. An updated assessment by the National Crime Agency was published in November 2016, which provided a more comprehensive picture and showed that this was a growing issue.

Whilst progress is being made, more needs to be done. The Government is very keen to ensure that all the key sectors (police, safeguarding, children’s services, adult social services, housing, schools and others) are aware and are taking this issue seriously. We have established a new Working Group on County Lines which will oversee a 12 month action plan to tackle this issue and brings together key departments, the National Police Chiefs’ Council, National Crime Agency and other key partners.

It is critical that practitioners working directly with children and vulnerable adults are aware of what county lines is, how to identify those at risk or involved in county lines exploitation and what action to take. County lines cuts across a number of issues including: drug dealing, violence, gangs, exploitation, safeguarding, modern slavery and missing persons, and to tackle it requires the efforts of a range of departments, agencies and organisations. If you require further information on issues relating to county lines, please contact Wayne Jones at: Wayne.Jones@homeoffice.gsi.gov.uk

142. West Norfolk Borough Charity
The King’s Lynn & West Norfolk Borough Charity Trust is one of a number of local charities that help those, who are in need, within the Borough. The Trustees come from all walks of life and include appointees from King’s Lynn Borough Council & Social Services.

The object of the charity is to try to relieve hardship or distress by paying for, or making a contribution to, items, services or facilities calculated to help those in need who apply for help. Recent assistance has included the purchase of cookers, washing machines, specialist clothing and help with relocation expenses within the borough. Each application is considered on its own merit and grants are not given where the relief should be met from Public funds.

Application forms should be sent to the secretary:-
Andy Stephens OBE
Tel 01945...430599
M 07595...939769
Email: andystephensobe@gmail.com

Please read the guidance notes carefully and complete the application form in full with all the information requested. The Trustees meet quarterly but do consider urgent applications between meetings. https://www.kingslynnwncharitytrust.co.uk/
143. New Anglia LEP Community Funding

Deadline for applications 5pm, 11 May 2018. Final decisions will be made in July, and projects should begin on 1 September 2018.

The Community Challenge is a scheme for Norfolk and Suffolk led by the New Anglia Local Enterprise Partnership (LEP) aiming to encourage projects from the voluntary and community sector that can actively deliver against targets to help people in the LEP area to enter employment, and deliver against a range of work readiness outcomes.

Funding available
Grants of up to £20,000 are available. Funding is for one year, though projects that deliver strongly against the Challenge outcomes may be considered for continuation funding to sustain, develop and scale up their model. Funding cannot be used for the purchase of capital equipment beyond 10% of the total proposed budget.

Community Challenge target outcomes
Applications should state a target for the number of people the project aims to support into paid employment throughout the life of the project. Please note projects will also be asked to measure job retention over the life of the project.

Match funding
All applicants will be required to provide match funding of up to 25% of the total project cost as part of their proposal.

Eligibility criteria
The Challenge is open to Registered Charities/Social Enterprise organisations. It is not open to individuals or non-constituted groups.

The problem identified and the solution proposed must all relate to both skills and employment for people facing multiple challenges in less affluent neighbourhoods

144. Farming Help Charities

Farming Help 03000 111 999 (7am - 11pm)
Confidential help for all in the farming community
Struggling to get by and not sure where to turn? Times can get hard for everyone but the good news is that farmers can reach three farming charities, with just ONE CALL

Addington Fund
Provides homes for farming families who have to leave their farm and by doing so will lose their home. In times of emergency, and where hardship prevails, Addington may be able to support a farm business through its Trustees' Discretionary Fund with a short term grant. In certain counties the Fund may be able to accommodate farm workers through its Affordable Rural Housing Scheme.
Visit the Addington Fund website

The Farming Community Network
A UK network of volunteers from the farming community and rural churches. FCN provides a Helpline and a visiting service to farming people and families who are facing difficulties. FCN's volunteers provide pastoral and practical support for as long as it is needed, helping people to find a positive way through their problems. Callers to the Helpline who need FCN support are put in touch with a local volunteer.
Visit the FCN website

R.A.B.I (Royal Agricultural Benevolent Institution)
A grant-making charity that provides confidential help to retired and working farming people in financial difficulty. Support covers all ages and is tailored to the individual, including one-off and regular grants, replacing essential household items, funding for disability equipment, care home fees, relief farm staff and training grants to help people develop skills to bring in off-farm income.

145. **Trusthouse Grants**

Trusthouse gives grants for running costs or one-off capital costs to charities and not-for-profit organisations in accordance with criteria that are regularly reviewed and decided by the Trustees. Our overarching themes are Rural Issues and Urban Deprivation.

**Rural Issues:**
We are looking for applications from organisations which are addressing issues in rural areas. ‘Rural’ in this context means cities, towns, villages and areas with 10,000 or less inhabitants which are classified in the latest government Indices of Multiple Deprivation as being in the most deprived 50%. We are interested in, for example, projects providing transport for the elderly, disabled or disadvantaged; contact networks for the young disabled; projects which encourage a sense of community.

**Urban Deprivation:**
We are seeking applications from local charities or not-for-profit organisations which are working with residents of urban areas (i.e. more than 10,000 inhabitants) which are classified in the latest government Indices of Multiple Deprivation as being in the most deprived 20%. We are interested in, for example, youth clubs; training schemes to help people out of unemployment; drop in centres for the homeless.

Within these overarching themes, we are interested in three areas:

**Community Support**
For example: work with young people; community centres; support for carers; older people’s projects; help for refugees; family support; community transport; sports projects; rehabilitation of ex-offenders; alcohol and drug misuse projects; domestic violence prevention and aftermath.

**Disability and Healthcare**
For example: projects in deprived areas for people of all ages with physical and/or sensory disabilities; support for people with mental health issues; hospices.

**Arts, Education and Heritage**
For example: arts projects for people with disabilities; performance or visual arts with a clear and strong community impact; alternative education projects; supplementary teaching; heritage projects in marine or industrial areas which involve local people and have a demonstrable community benefit.

The below excerpts are all copied from individual websites, please visit each one for further details. There may well be further good work being done in which case any omission is unintentional.

**East of England Co-op – free Fairtrade tea**
https://www.eastofengland.coop/community/how-we-can-support-you/co-op-cuppa

“Maybe you’d like a supply of tea for a regular event you’re running, like a support group or weekly activity? Or perhaps you’re holding a one-off event like a coffee morning or a fete? Either way, we might be able to provide you with a free supply of Co-operative Fairtrade 99 Tea.

**Central England Co-operative aims to make a real difference in our communities**

To help the communities we serve celebrate in our success, we invest a percentage of our trading profit back in to projects that we feel will really make a difference.

If you’re part of a local community group, voluntary organisation or local charity, we could support your project with a grant of up to £5,000.

Since 2007, we have proudly donated over £1.2 million to help fund projects in our trading area through our Community Dividend scheme.

If your project’s postcode falls within our trading area and if you think your local community would benefit from a project that requires some help with funding, then hopefully we can help.

To begin the application process and to find out if your project is eligible for funding, please click here.

Alternatively, if you have any questions about an application please contact us prior to applying, using the Contact us link in the top right hand corner and we'll be happy to help.

Tesco - community champions
“Community Champions act as ambassadors for Tesco within their area, working to ensure that we are a great neighbour that can bring genuine benefit to the local community. They work with their Store Manager and other shops in the region to shape how Tesco can get involved in local community events, providing support where it is most needed, and help keep our customers and colleagues up to date with the most recent activity. We have over 500 Champions across the business, primarily in our large format stores. If customers or colleagues would like to meet their local Community Champion to discuss how they can get involved with supporting a local event they can use the email details on the spreadsheet below, or pop in to their local store.”

Morrison’s - funding
https://www.morrisonsfoundation.com/funding.html
“The Morrison’s Foundation provides grants towards projects undertaken by registered charities. If you’re seeking funds for such a project, click on the below link to start your application. We believe that good projects come in all shapes and sizes so we’re not limiting how much you can apply for, though we do ask that your project benefits people’s lives in the UK.”

Lidl partners with Neighbourly
https://www.neighbourly.com/blog/lidl_partners_with_neighbourly_national_rollout_redistribute_2_million_meals
“Lidl UK has announced the launch of their national food redistribution programme and support of #FundAFridge in partnership with Neighbourly. This will see all Lidl stores across England, Scotland and Wales donating food surplus to local food charities helping to feed people in need, equalling up to 2 million meals a year.”

Asda - Community champions
http://your.asda.com/community/helping-make-the-local-community-a-better-place-to-live-and-work-in
“In some of our bigger stores we can provide space, including meeting rooms, for local groups to use. And they welcome charities and other local groups to raise funds in store or collect donations for food banks and other good causes. We’ve organised hundreds of local and nationwide events, ranging from sponsored events for Tickled Pink, the Chosen by you, Given by us local store fundraising collection, in-store and local community #Cakemyday activity to help celebrate Asda’s 50th birthday and handing out £4.6 million in grants to deserving community causes from the Asda Foundation.”

Waitrose – partner volunteering
“Building on the successful Community Matters model, we launched Community Matters Partner Volunteering in May 2012. Local causes can now bid for 'Partner time' as every year we set aside a budget for each store to invest in volunteering

Marks and Spencer’s – donations
“If you have a request for a donation to a charitable organisation, these are often made through our local stores who have a small, limited budget and focus their support towards issues that are important to their local community. So visit your local store and ask to speak to a manager.

Sainsbury’s - donations
https://help.sainsburys.co.uk/help/company-values/donate-to-charity
All our stores also have a local charity they support throughout the year. Please click here [Opens New Window] for more details about your stores local charity. They also have a small budget for making donations of raffle prizes or vouchers and can sometimes help with events in store such as bag packing. Contact your local store [Opens New Window], by phone only, for more information.

149. Buttle UK – Grants

Our Chances for Children grants can now provide an enhanced package of support for children and young people dealing with a variety of issues ranging from, but not limited to; kinship care arrangements, domestic abuse, estrangement, physical and mental ill health, and substance abuse. Read on to find out more.

**Kinship Care - How we help**
Kinship care occurs when friends or relatives take on care of a child or young person when their parents are no longer able to look after them. However, whilst this can avert a child being placed into foster care, many kinship carers report financial challenges in light of having to take care of children in unforeseen circumstances, often with heightened support needs. How Buttle Can Help see [https://www.buttleuk.org/need-support/families/kinship-care#help](https://www.buttleuk.org/need-support/families/kinship-care#help)

**How we help – grants for children who have experienced domestic abuse**
Exposure to domestic abuse can impact on how a child or young person processes their feelings, interacts with others and can affect their mental health. They often experience significant upheaval, losing everything familiar to them. They may need help adjusting to their new surroundings and coming to terms with their experiences. [https://www.buttleuk.org/need-support/families/enhanced#help](https://www.buttleuk.org/need-support/families/enhanced#help)

**Some further grants by Buttle:**
We offer a contribution towards boarding school fees where there is a strong reason that a child cannot remain in the family home and are otherwise at risk of being taken into care.

We are also able to offer packages of support to young people living without the support of their family through the Graphite Capital Bursary Fund. These packages, as part of our Chances for Children grant programme are for up to £2,000 and are built around the young person’s education, training or employment goals. They also offer support towards setting up a home and their social wellbeing, which are vital factors in helping them to succeed in the future. 150. Mobility Charity Grants

Mobility Trust
Mobility Trust provides powered wheelchairs and scooters for UK residents who have severe disabilities and who cannot obtain such equipment through other means. We aim to reach and help people who, quite simply, have nowhere else to turn. We are the only UK charity that provides such broad support, regardless of age or cause of disabilities.
https://mobilitytrust.org.uk/

Acts345 (not mobility specific, but of interest in general)
Acts 435 is a website that directly links those wanting to give with those needing their help. This happens simply through online giving, with the Church providing a physical, face-to-face meeting point where church volunteers, called advocates, meet with those in need and post these needs on the Acts 435 website. 100% of what is donated via Acts 435 goes directly to those in need. Nothing is removed to cover administration costs – if you give £80 for a cooker, that full £80 will go to purchase that item.
https://acts435.org.uk/give/other/gifts-in-kind/

The Barchester Healthcare Foundation
The Barchester Healthcare Foundation supports older people and adults with physical and mental disabilities. It is able to help individuals with the cost of items that enhance the person's mobility, independence or quality of life.
www.bhcfoundation.org.uk

ACT foundation
ACT provides grants of up to £2,500 to individuals with the aim of enhancing the quality of life for people in need (specifically those who have a physical and/or mental disability or the aged and who are living in poverty). VICTA Grants

VICTA support children and young people who are blind or partially sighted by providing equipment to aid their visual impairment.

RNIB Apple iPad Air 2 and Orbit Reader 20 Scheme
VICTA is currently working in partnership with RNIB on a product grant programme focussed on supporting independent study using technology. If you are registered blind or partially sighted and a UK resident you could be eligible for an Apple iPad Air 2 (32 GB) with case (age criteria 11-25 years) and/or an Orbit Reader 20 (age criteria 8-25 years). Seen as complementary technologies, it is possible to apply for both provided you satisfy the age criteria.

For all other grant applications, please continue reading below.

VICTA grant guidelines
Applications will be considered for children and young people who are registered or are register-able blind or partially sighted up to and including the age of 29 years and who are permanent residents in the UK. All items supplied through our grant scheme are for home use only (not for school or college).

All applications are independently reviewed by our trustees and outcomes will be notified in writing. No outcomes will be given over the telephone. Successful applicants will be asked for a contribution towards the grant. Please note iPads will always require a 50% contribution.

Criteria
• Only one grant will be awarded to an applicant within a two-year period
• iPads will only be considered for children over the age of 11 years
• Only one iPad will be supplied to any one applicant
• Computers and/or software will only be considered for children over the age of 8 years
• Computers will only be given once before the age of sixteen and once after, and there must be a 5-year gap between the grants
• A maximum of 2 laptops/desktop computers can be supplied to any one applicant.
• Braille Note takers will only be considered for children over the age of 11 years
• Only one Braille Note taker will be supplied to any one applicant

153. Day Trippers Grants

“Special schools, children’s hospices, charities and support groups can apply for funding towards a day trip of their choice. We want to ensure children and young people with disabilities and life-limiting conditions in the UK experience great days out. Find out below if your organisation is eligible for our support and how to apply for a grant. If you have any queries, please contact us on 020 7758 0030 or at enquiries@daytrippers.org.uk. 
http://www.daytrippers.org.uk/daytrips/how-to-become-a-daytripper/

Eligibility criteria:

▪ Special schools, children’s hospices, registered charities and support groups (without charity status) based in the UK are eligible to apply.
▪ The day trip must consist of at least eight children and young people who have a disability and/or a life-limiting condition (up to the age of 25).
▪ The proposed day trip must take place in the UK.

Key points:

▪ Application forms are accepted all year round.
▪ Fully completed application forms and supporting documents may be submitted ten working days or more prior to the day trip.
▪ Funding will primarily be considered for children and young people with disabilities and life-limiting conditions and their key carers.
▪ We will consider each application form and funding requested on an individual basis.
▪ We allocate up to £30 per child/young person and award grants no greater than £1,500.
▪ If the proposed day trip includes over 50 children and young people, please call us to discuss your request before completing an application form.
▪ As well as considering days out, we welcome application forms regarding in-house events (a fun day for children for example).
▪ If we are unable to cover all of the costs, we will consider making a contribution towards the day trip.
▪ Successful applicants are required to provide monitoring information after the day trip has taken place. See here for more information.
▪ Organisations are expected to pay for the day trip upfront. Payment of the grant will be issued after the day trip Organisations may receive one grant per calendar year.

We will not consider:

▪ Application forms for individual families.
▪ Funding requests for overnight stays and residential.
▪ Day trips to events funded or co-funded by Day-trippers.
154. Grants for Education and Town History

AUDREY STRATFORD TRUST
Applications are invited for projects that focus on King’s Lynn. We are looking to fund projects that support education and an understanding of the history of our town. Suggested limit £5000.
To apply send an email for the application pack to Claire.melton@stephenson-smart.com

155. Variety Children’s Charity

We’re here to help improve the care and ease the burden of looking after a child who is seriously ill or disabled. We really do understand the emotional and financial strain it imposes on parents and carers. Grants are available to individuals as well as organisations. We aim to provide whatever is needed:
• It may be medical, such as monitoring equipment.
• It may be basic care like feeding tubes or hoists.
• It may be sensory play or mobility equipment for a nursery or playgroup.

Applications can be made on behalf of individual children. These must be supported by a letter from an appropriately qualified medical professional, e.g. occupational therapist, physiotherapist or paediatrician. Please ensure that this letter refers to the equipment.
Applications can also be made from non-profit making groups and organisations working with children up to, and including, the physical age of 18 years. These include statutory bodies (schools and hospitals), hospices and small registered charities. These applications must also be supported by a letter from medical professional, as above.

157. B&Q Re-Use Scheme
Community re-use - B&Q operates a community re-use scheme through all stores

The scheme is in place to donate unsellable products and materials for re-use by local schools, other educational institutions and community groups, for the benefit of the local community and the environment. These items are donated on the understanding that they will be re-used or disposed of responsibly if they aren’t used. Eligible groups include:

- Schools and colleges
- Child minders, playgroups and nurseries
- Allotment associations, community gardening projects
- Youth groups including scouts, guides and cadets
- Registered charities
- Adult education projects, University of the Third Age
- Other local community groups

Please note that these are unsellable items. B&Q cannot guarantee the suitability for re-use. No electrical or dangerous products can be donated e.g. broken ladders, faulty chairs or lights. We do not donate items to individuals.

For more information please contact your local store directly and speak to a duty manager.”

159. Meet Up Society Database

“Getting together with real people in real life makes powerful things happen. Side hustles become careers, ideas become movements, and chance encounters become lifelong connections. Meetup brings people together to create thriving communities.”

This is free of charge to join, web-based data-base of clubs and societies and has dozens of groups across Norfolk (though some are more focused around urban areas). The database can be searched for specific locations

https://www.meetup.com/find/
160. Friend in Deed

Friend in Deed is a social enterprise that organises intergenerational projects that aim to enrich the lives of others with the primary aim of promoting kindness. They have lots of ‘Little Visitors’ who, accompanied by a parent/carer, spend time with people in care homes, sheltered accommodation. They are hoping to expand this scheme into the community so that they can reach people in their own homes. They are looking for more volunteers so this could be a good initiative for mums to get involved in their community (especially if they are lonely and isolated) and take the babies too! They brighten older people’s days and make friends.

Please take a look at their website:

161. Young Peoples Advocacy Providers

Coram Voice has been commissioned by the Department for Education to provide the National Advocacy ‘Safety Net’ and Advice Service for children in and leaving care. This service called Always Heard will deliver the following key service for children and young people in England

1. Free access to advocacy advice - digitally and Freephone
Our Always Heard team are providing advice to children and young people about their right to advocacy and to have a voice, and their entitlements as they progress through the care system. Always Heard can be contacted via:

- Freephone helpline: 0808 800 5792
- Email: help@coramvoice.org.uk
- Text and WhatsApp: 07758 670369
- Online: http://www.coramvoice.org.uk/

2. Gateway to local support - database of advocacy services
Our Always Heard team has built and will be maintaining a national database of all advocacy services for Looked After Children and Care Leavers in England. This will allow young people and others working with them to find and contact their local advocacy service.
http://www.coramvoice.org.uk/young-peoples-zone/services/advocacy

3. The ‘Safety Net’ – providing critical issue support while making sure local advocacy is available
Some local authorities place restrictions on advocacy provider’s ability to support young people involved with Children’s Services. The Department for Education have commissioned Always Heard to ensure that there is a national advocacy ‘safety net’.
Where young people are unable to access local advocacy we will be contacting local authorities to request that they make arrangements for this service to be provided. When this does not work we will be working with the Children’s Commissioner’s and her Help at Hand service.
https://www.childrenscommissioner.gov.uk/help-at-hand/

Formerly known as Voice for the Child in Care (VCC), Coram Voice has championed the voice of children and young people involved in the care system since 1975. We joined the Coram group of charities in 2013. The Coram mission is to develop, deliver and promote best practice in the support of vulnerable children and young people.
162. Become Charity for Care Leavers

We provide help, support and advice to young people in care and young care leavers so that they can unleash their potential and take control of their lives. We help make the care system work better by ensuring that young people’s voices and perspectives shape policy and service provision.

In care? Or recently left? This is the section for you...Ask us for advice - it's free

In care or a care leaver? Looking for help and advice? Talk to us in confidence – online or over the phone on our dedicated helpline for young people. We really know our stuff about the care system and what everyone’s rights and entitlements are! Call us on 0800 023 2033 between 10:30am and 5pm, Monday to Friday, or email us at advice@becomecharity.org.uk

Care Factsheets - free to download!
Our Advice and Information team take calls from young people in care and care leavers on lots of different subjects. They often get asked about managing money, how the care system works and what young care leavers are entitled to.

Propel yourself into higher education!
Propel is a fully searchable website for care leavers providing information on the support available to you at colleges and universities across the UK. Find out:

• whether 365-day accommodation is available
• what bursaries and grants are on offer
• the help and support care leavers can expect
• the contact details of specific contacts to get in touch with at each institution

Propel also has loads of other useful info, like an overview of student funding, specific advice for care leavers and inspirational stories from care-experienced students about how it was for them.

163. Opportunity for 15-25-year olds

MAP is delivering a young people’s rights project known as MORR (Make Our Rights Reality) in conjunction with Youth Access. They have a remit to work within Norfolk, Suffolk and Cambridgeshire and would like to know if you would be willing for us to work with the young people you work with.

Make Our Rights Reality (MORR) is a national project designed to teach you about your rights and give you a voice to challenge injustice!
RIGHTS: Learn how to use your rights!
VOICE: Campaign on your rights!
ACTION: Create change in your community!
RIGHTS + VOICE + ACTION = CHANGE

MAP have successfully worked across Norwich and Great Yarmouth in education and voluntary settings and would like to see how we can work with other partners and agencies across the region.

164. Hanseatic Union

Hanseatic Union is a registered charity that is working to unite our local community.

Hanseatic Union has received Lottery/ESF funding on the Building Better Opportunities project. We meet with and support NEET youngsters and their families – our remit is ages 15-upwards. This means that we can help move a whole family towards employment/ training.

We have eastern European workers who can engage with the migrant community and help this section engage with services that they often know little about. We have over 70 engaged on our esol program, we just delivered a Christmas event that had 100 attend with seven nationalities. We are out here in Kings Lynn working, delivering engagement activities and support. Our NEET program started in September and we have moved 45% of clients into employment and training in that time. 165. Norfolk LGBT + Project

On 21st May 2009, Norfolk LGBT+ Project was registered as a charity and continued to go from strength to strength. In 2010, Norfolk LGBT+ Project was commissioned by NHS Norfolk & NHS Great Yarmouth & Waveney to promote sexual health for the LGBT+ community in Norfolk & Waveney, taking over from Neil Kittle who ran TEN (A community based HIV prevention & sexual health promotion programme working with & for gay men, bisexual men & other men who have sex with men). The rest as they say is history!!

Please click on our services to view the services that we currently provide.
http://www.norfolklgbtproject.co.uk/

Norfolk LGBT+ Project currently employs one full time member, and 11 volunteers who facilitate our LGBT+ drop in groups.

Norfolk LGBT+ Project is a community based service run by & for the LGBT+ community. It is a service influenced by the needs of its service users. We believe that by working in partnership with local groups, communities and organisations that we can provide the best possible service for the LGBT+ community in Norfolk & Waveney.

BLAH LGBT+ Youth project provides support for young LGBT+ people and those questioning their sexuality and gender identity aged 25yrs and under.

We currently have 5 BLAH youth groups – Norwich, King’s Lynn, Swaffham, Cromer and Lowestoft.
For dates and times of all our BLAH sessions please click on calendar.

166. Switchboard LGBT Information
At Switchboard we provide an information, support and referral service for lesbians, gay men and bisexual and trans people – and anyone considering issues around their sexuality and/or gender identity. Contact can be made by phone, message or email.

“We listen to all kinds of calls, and we take every one seriously. Whatever made you call, we’re glad you did – and we want to help you.” Here are some of the things people might call us for:

• Information about support groups for someone who thinks they are trans or non-binary.
• Support for a man who has been a victim of homophobic abuse, but has previously had a bad experience going to the police.
• Contact details for an LGBT-friendly therapist.
• Support for a lesbian teenager thrown out of her home by her parents, and who needs somewhere to stay.
• Information on how to get to local gay pubs for someone with mobility issues.
• Times and places for a local bisexual social group.
• Listening to some of the concerns a mother has about her child who is trans.

Every call is unique, and Switchboard prides itself on responding to the changing needs of our communities by providing a service that’s continually evolving and relevant. The majority of those who call are LGBT+ but we also get lots of callers who are considering issues around their sexuality. And then there are friends, parents or family members of LGBT+ loved ones who are looking for some independent advice and support.

167. Stonewall information Service for LGBT

Contact Stonewalls Information Service - We answer questions on any issue affecting LGBT people

Got a question? A problem? Need support? We’re here to help with any issues affecting LGBT people or their families. Whatever your situation, you’re not on your own. We’ll do what we can to help or point you in the right direction of someone who can.

Please be aware that we’re an information service, not an advice service. Although we can put you in touch with organisations who provide counselling services and legal advice, we don't offer these services ourselves.

You can tell us about your situation by completing the form below or calling us on 08000 50 20 20. The Information Service is available Monday to Friday, 9.30-4.30. If we don't answer, please leave a clear message outlining your question or problem along with your name and number and we'll call you back.

We’ll do our best to get back to you within three days of your enquiry but, as the Information Service is led by volunteers, there might be a bit of a delay once in a while. We’re sorry if that causes you any inconvenience but, rest assured, we will get back to you.”

168. Targeted Activities for Young People

Prospects in the new service commissioned by Norfolk County Council for young people. The criteria for referral is that the young person must be aged 13-19 and “at risk of statutory intervention” which can include a risk of youth offending; mental health difficulties; risk of school exclusion; health referrals, etc. In addition, they are keen to support the Early Help Team and others with their ‘step-down’ of young people who may need additional support to manage exiting services and gaining their independence. Referral is by the Request for Support form on the Early Help page of the Norfolk County Council.

173. SWAN Youth Project

Youth clubs from age 8-18
SWAN Centre Tuesday 5pm-7pm
Wereham Village Hall Thursday 5pm-7pm
SWAN Centre Friday 5pm-7pm

All SWAN Provision is open-access and available to anyone over 8 years old; our evening activities are no exception.

Open on Tuesday and Friday evenings 5pm-7pm, the SWAN Centre provides a place to belong for young people. Young people are at the heart of our open access provision, which is why they drive forward what, how, and when it is delivered.

We are also launching a new outreach Open Access at Wereham Village Hall on a Thursday 5pm-7pm from 13th September 2018.

There is little chance of getting bored; we have a range of facilities available from games consoles, arts and crafts, pool, outdoor games to chill out spaces and film nights. Additionally, we now have ‘The Den’, a specific room for Y7+.

Our open access provision is just 50p per night, and with that, we hope that young people will feel safe, empowered and positive by the time they leave.

This provision is delivered by a team of staff and volunteers, who are all DBS checked and trained in line with our policies and procedures.

We really do believe that there is something for everyone.

175. Ambition Quality Mark

Ambition Quality is a national kite mark to recognise and accredit good quality, safe youth provision. Getting an Ambition Quality mark means your youth club, drop-in café, sports club or youth project is welcoming, gives young people a chance to grow and develop social skills, and that there are policies and procedures in place to keep them safe.

Achieving an Ambition Quality mark proves to funders and partners that you can deliver high quality services, and it shows your commitment to improving your services for the young people you work with. Once you have achieved a Quality mark, you can display it on your building, on funding bids and reports and on any marketing literature you have, and the accreditation lasts for three years.

There are several different levels for Ambition Quality:

- First Steps is a good starting place for groups who are new to quality assurance or rely mostly on volunteers, such as local youth clubs.
- Bronze, Silver and Gold are for those who want to go the extra mile. You must achieve Bronze before you can progress to Silver and so on.

In January 2018, Ambition Quality launched two new modules:

- Playwork, for Early Years settings, such as nurseries and playgroups, and other organisations using play-based learning
- Social Action for groups/organisations running social action projects for young people (for example NCS)

These can be added on to First Steps or used as a standalone quality mark.

Momentum's Supporting Excellence Officer, Aimee Gedge, can guide you through the process and put you in touch with other groups who are also working towards a kite mark. Please contact her to obtain your Ambition Quality pack, which will tell you what evidence you need to submit in order to achieve a quality mark.

Unfortunately, we are able to offer support only to organisations based in Norfolk. If you are interested in Ambition Quality and are based outside of Norfolk, please contact UK Youth.

179. **Sportivate for 11-25 year olds**

Sportivate sessions in Norfolk are offering the opportunity to enjoy taster sessions in a range of activities. No experience required. The programme gives 11-25 year-olds who are not particularly sporty access to six-to-eight weeks’ of free or subsidised coaching in a range of sports.

Those taking part can work towards an event or personal challenge and, when the free or low-cost coaching finishes, they are supported to continue playing sport.

One of Sportivate in Norfolk’s many shining stars is Jordan, who has suffered with a gambling addiction in the past. There seemed little hope for Jordan when he found himself out on the streets and unable to see his little girl after getting a criminal conviction. But after throwing himself into this Active Norfolk-funded project he built regular structure into his life and has gone on to work towards achieving his coaching qualifications.”

The below link includes two promotional video clips and a flyer: [https://www.activenorfolk.org/sportivate](https://www.activenorfolk.org/sportivate)

If you are interested in taking part in a Sportivate activity please email [george.webster@activenorfolk.org](mailto:george.webster@activenorfolk.org) to receive further information and find out about the latest opportunities available in your area. Alternatively, visit [www.activenorfolk.org/satellite-clubs](http://www.activenorfolk.org/satellite-clubs) where you can find weekly accessible sessions for 11 - 25 year old’s covering a wide range of sports / activities.

180. **Fun & Fit Walking Groups**

Active Norfolk are looking to equip groups to run their own walks with our new Fun & Fit walking model. We are looking for groups who cater for those who would most benefit from being more active.

We are particularly, though not exclusively, looking at groups in North Lynn, South Downham, Hunstanton and Heacham and those that help people with certain health conditions, disabilities and ethnic minorities. Walks will be short and suitable for people who are inactive (do 30 minutes or less of moderate physical activity per week). Full training and equipment will be provided and support given with evaluation and route planning.

If you feel your group would like to run some walks then please contact the Development Officer, Mel Brown on 07766259999 or email [mel.brown@activenorfolk.org](mailto:mel.brown@activenorfolk.org). You would need at least 3 people willing to complete the 2.5 hour training session from within the group.
181. Community Fridge in Downham

Discover Downham supported by the Borough Council of King’s Lynn & West Norfolk launched the borough’s first ‘Community Fridge’ at The Old Fire Station, Priory Road, Downham

Supported Downham Market Town Council, Recycle for Norfolk, the environmental charity Hubbub UK and Sainsbury’s Waste less Save more, the Downham Market Community Fridge is part of a growing effort to tackle food waste.

The fridge will be open three days a week: every Thursday, Friday and Saturday from 2:00pm to 4:00pm to enable residents and businesses to share surplus food for free. Anyone can help themselves to free quality food that would otherwise have been wasted.

Among the first businesses looking to contribute to the scheme, by donating a selection of unsold goods, are Morrisons, Tesco and Greggs in Downham Market. It is hoped that other local food businesses and retailers will also make use of the Downham Market Community Fridge.

The Community Fridge is part of a wider project to raise awareness of food waste known as the Sainsbury’s Downham Market Discovery Community. The project has already delivered a number of activities in Downham Market, including last November’s Food Saver and Recycling information day at the Town Hall, a Zero Waste Kitchen Cookery Challenge with residents wanting to save money and reduce their food waste at the same time, and a Fab Food initiative with the Nelson Academy and Hillcrest Primary School whereby children learn about how to avoid wasting food at home and whilst at school. Downham Market is one of seven Sainsbury’s Discovery Communities in Norfolk.

182. Good Neighbour Schemes
There are currently 17 schemes in Norfolk supporting more than 30 parishes and more planned for 2019. Neighbourliness is the social glue that bonds communities together. It helps create an environment where people feel safe and secure because they have a genuine connection with one another.

Good Neighbours Schemes help bridge the support gap and in the process, help recreate social connections and rebuild the sense of community. They provide an opportunity to support communities in many ways:

- Helping people to live independently in their homes for longer
- Improvements in general wellbeing and mental health
- Fewer missed appointments supporting patients and organisations alike
- Ongoing contact for most isolated individuals
- Support for resilience and emergency planning
- Opportunity for people to develop new skills and to gain in confidence through volunteering and training
- Better sense of community
- Provides links to, and a springboard for, wider community initiatives such as community transport schemes, links to youth groups etc.

How do they work?
Good neighbour schemes are a volunteer run and led model. A local group form a steering group taking it in turns to receive requests from clients and match them with local volunteers able to provide support. Tasks undertaken vary with each local group but tend to cover basic odd-jobs, support, accessing services and transport. Good Neighbour schemes can provide an important conduit for information straight to the grassroots and an early warning system for potential issues.

Setting up a scheme.
CAN provides all of the policies and information needed to get started. We will help you at all stages from the first public meeting, to the setting up of a committee. We will provide training in Safeguarding, confidentiality and data protection, managing volunteers, managing the scheme etc. We will advise on insurances required and provide templates for all policies needed. Once established we will continue to offer regular networking and training opportunities.

183. Unity in Diversity

Unity in diversity (Unity) is an established Community Interest Company, with a growing track record for intercultural education, building relationships, partnership working and promoting community cohesion. Our aim is to reach ALL communities and to ensure that service providers become more accessible and aware of the needs and attitudes of the changing population in;

- Demonstrating a greater understanding of diversity
- Collectively reflect on personal experiences
- Providing opportunities to mix with other young people from different ethnic communities
- Exploring diversity in its many forms and why difference can cause fear and prejudice
- Developing the ability to share this knowledge with their peers

We build bridges through the arts, design and deliver intercultural programmes to enable schools, communities and businesses to become culturally competent, workshops to highlight and combat the effects of bullying and racism.

We empower people to have a voice by reaching marginalised communities and work in partnership with other voluntary and community groups to support and sustain the changes we have created.

Our activities
Designing and delivering intercultural learning programmes, working with the child, parent/carer teachers and extended community, to ensure equality and diversity can be embedded. For education providers - We specialise in designing intercultural packages, inset training for staff and for students; channelling their energies positively, raising awareness of bullying and racism to enable the school to become culturally competent, equipping and enabling them to do it for themselves.

For businesses - Designing and delivering interactive training sessions so they may become a diverse driven culturally responsive workforce.

In the community and for everyone- We bring it all together. we get it, we respond, we bring about change as we make a difference; celebrating the richness of diversity, so that our children can grow in a world where they are free to make their own informed decisions and not bound by invisible chains.

186. **Voicebox Cafes at the Library**

Voicebox Cafes – funded by the Good Things Foundation and the Women’s Vote Centenary Grant Fund

In 2018 we celebrate 100 years since some women gained the right to vote & 90 years since all women won that right. It’s a chance for us to think about our own role in civic life and encourage others to do the same.

Voicebox Cafés are an innovative England-wide democracy project, aimed at encouraging excluded women to understand, celebrate and participate in democracy and public life. They will take place nationwide and focus on engaging women aged 18 - 30 who have traditionally not engaged in democracy.

**In Norfolk** the Voicebox Cafes will take place at Great Yarmouth Library, King’s Lynn Library and the Norfolk & Norwich Millennium Library.

Engagement will be carried out through Voicebox Cafés holding sessions covering the following 3 stages in a learner journey: **Educate, Participate, Celebrate**.

- **EDUCATE**: To increase women’s knowledge of UK democracy and its importance, and increase their democratic participation.
- **PARTICIPATE**: To aspire to achieve gender parity in local and national politics by the centenary of the Equal Franchise Act by 2028.
- **CELEBRATE**: To increase national awareness and mark 100 years since women got the right to vote

Some of the key learning will include:
- Understand local and national democratic processes, how voting happens and who makes decisions.
- Learn about the principles of effective community organising: beneficiaries to understand how they can make a difference in their local communities
- Learn about how to organise a government petition

We are seeking women aged 18-30 who might be interested in participating. We are also seeking groups who may be interested in coming en masse. We have some excellent resources and all our sessions will be informal and include refreshments and space to chat.

187. King’s Lynn Women’s Centre

Pandora Project is the lead agency for the new King’s Lynn Women’s Centre. This service will be open to all women for information, advice and support.

10-4pm every Thursday at KLARS, 41 Old Hospital Mews, King’s Lynn, access is by Seven Sisters Close.

In the morning we will be running groups sessions including Freedom Programme, confidence courses, money management, getting back into employment, literacy and numeracy classes and more. We will provide groups and courses to meet our community’s needs, listening to what local women want. The afternoon will be focused on specialist services and signposting, so people can either drop-in to access one-to-one support or agencies can refer to us.

We will be a one-stop-shop for women, providing information, support and advice to enable women to make informed decisions and offer easy access to local services. Whether it’s information on nursery schools, accessing family support, addressing health issues or just someone to talk to, we can help.

The Women’s Centre is very interested to know the most appropriate courses to run

- Confidence course
- Parenting Skills
- Knit and Natter
- Adult Learning
- Freedom programme
- Getting Back into Employment
- Money Management
- Crochet Club
- Literacy and Numeracy
- Social Group
- Any other suggestions

Extended opening!
Their opening times are now Tuesday 12noon-6pm and Thursday 10am-1pm.

Anyone is welcome to drop in and find out more about the shed. There is always lots of things to do, and the kettle is always on!

Everyone will be encouraged to give a minimum donation of £1 when they attend to help cover costs. Membership forms will be available for anyone interested in joining, annual membership is £5.
189. Community Café Hunstanton

Union Church Hunstanton

Community Cafe

The Community Café is open every Wednesday 10.00 – 12.00 p.m. in our downstairs hall. The café has been decorated in cheerful blue and white seaside colours which adds to the friendly welcome that awaits all our visitors from the team of dedicated volunteers who enjoy meeting the new visitors and regulars who come to see us. The aim of the café is to ensure that everyone is made welcome. It is a great place to meet with friends and even to make new ones. We don’t want anyone to feel lonely. It’s a great opportunity for the Church to connect with the local community.

The café offers a range of drinks including cappuccinos as well as filter coffee, hot chocolate, teas etc. Each week there is a delicious selection of homemade cakes, teacakes and a range of savouries and cakes supplied by a local baker. We also offer a small selection of good quality gift items for sale including homemade preserves, books, DVD’s, jewellery, Christian cards and much more besides. Well worth a browse.

There is wheelchair access at the café, baby changing facilities and we also welcome well-behaved dogs. The team look forward to seeing you.

190. West Norfolk Befriending

West Norfolk Befriending aims to reduce social isolation by providing a link to the outside world. We match isolated and lonely older people with trained, and CRB DBS checked volunteer befrienders who will visit on a regular basis.

Our service helps clients

- enhance their quality of life
- maintain their independence
- reduce isolation
- improve their physical and mental wellbeing
- identify risks to health and environment

We facilitate reintegration to community life wherever possible. Clients are frequently signposted to other services and organisations that may be able to help them.

West Norfolk Befriending does not currently charge for its services. It is funded through a variety of grants and donations.

West Norfolk Befriending accepts referrals from professionals working with Clients or we are happy to except self-referrals. You are welcome to contact the office to discuss a possible referral.

191. **Classic Music Rocks for Schools**

An independent not-for-profit community organization, funded by private donors and Norfolk Music Education Hub.

**Objectives**

- To enable primary school children in West Norfolk to hear live classical music in their school setting.
- to inspire an interest in hearing more classical music
- to encourage children to learn to play an instrument
- to help build audiences of the future
- to advocate for children to have improved access to classical music

High quality, young, professional musicians, and suitable skilled volunteers introduce their instruments and play short pieces in interactive presentations and smaller groups. We also offer workshops and child friendly short concerts. There is a real opportunity for children and musicians to meet and talk about making music. Our fee is 50p per child, but most of the cost is borne by Classical Music Rocks.

For contact details please see the Classic Music Rocks Website

192. Fensong Youth Theatre Group

Fensong is a Youth Theatre Group, centred in Downham Market and Nordelph area of West Norfolk.

We have just performed our own, self-written version of the Bible story of Joseph, which included rap, country and western, Indie, and Elvis, (To name but a few of the genres we explored), and toured the production to four different churches, Watlington C of E, Upwell Methodist Church, St Edmund's Downham C of E and Wisbech Baptist Church.

We have about 20 young people aged from 8 years upwards, and have four young leaders aged 21-28 (all DBS'd) encouraging the students, as well as several enhanced DBS'd adults, including me, Cate Waters, former Head of Drama at Downham Market Academy for 20 years, with 35 years’ experience at teaching English, Drama and Music.

We aim to train students to enhance their Drama skills, and explore Biblical and Ethical stories (we are partly sponsored by Ely Diocese). We perform once a month at an Evensong within the Priory Benefice, giving children a chance to do public readings, sing and do some British Sign language with the songs, and Drama sketches.

The Young leaders, we are hoping will gain a qualification which will enhance their CV's and are currently working with Ely Diocese, and hopefully, Durham University to develop a course which involves on-the-job training.

We meet at Downham Market Methodist Church every Saturday, alternating from 11am-1pm sessions and 2-4pm sessions on alternate weeks, and we have a midweek rehearsal at 6.30pm for 1 1/2 hours at Nordelph Village Hall.

We are currently working on the Bethlehemian Rhapsody (The Nativity with puppets) for Christmas, when we shall be doing an entire programme, including carols, (one signed), some Drama, some readings and with a candlelit element to celebrate the season.

All tuition is free, and there is the possibility of free recorder tuition if there is an interest in the recorder group I should like to set up.

We are trying particularly to reach out to the home-schooled; children who are under-confident; or who may have learning disabilities; or who have experienced bullying; and of course, any child who wishes to learn new Drama skills, improve their communication abilities, or wishes to learn to read Music.

Any interested adults who would like their children/grandchildren to join, or indeed themselves to become members, should contact Cate on: 01366 324559 or 07943523437 or write to: catemarkwell@yahoo.co.uk

193. The Youth Advisory Board

In this ever changing climate it is easy to feel disheartened, under-pressure, confused and unsure. One thing we can be certain of is that there are young people in our community and we’re quite sure there always will be.

What the future holds, who can be sure?

Results released recently from a Prince’s Trust study shows us that 1 in 4 young people do not feel in control of their own lives. The Youth Advisory Board works with young people saying the same thing. As a YAB we will represent this voice and the many other voices of young people and we will do so with all our might.

We happily invite other professionals to join us and take part in our sessions so as to meet the young people we work with and to show them your support. So what are we up to?

Weekly YAB commissioner sessions are back in full swing, meeting every Friday. We are working with the young people and Momentum to develop a leadership course for young people – which will certainly respond to those study results particularly concerns over self-confidence.

We will be continuing the small grants scheme overseen by young people. Voluntary organisations can apply for up to a £1000.

There will be two more residential this year, one in April and the other in October – a full advert will be released in due course.

As our tagline says “The voice of young people”, we will be taking this mantra into the secondary schools and have some very interesting work coming up! The YAB always welcomes new ideas and new opportunities for young people, the YAB is the place to have new experiences and to have fun.

*Strive to be happy, be yourself.*

194. Transport Plus Community Transport

It is a service using mostly volunteer car drivers to enable adult members of the public to access essential health, social and wellbeing services. Journey bookings can be made with the County Council’s customer service centre and staff then organise the journey with an available driver or another community transport provider. A charge is made for each journey to cover the cost of fuel and general wear and tear of the vehicle. This is paid direct to the driver.

Transport Plus is generally available to adult members of the public who:

- Have a specific health or social need but are not eligible for free transport
- Are unable to use or access normal public transport services
- Cannot access services using transport provided by family or friends

To use the service you need to be able to get in and out of a car unaided. We can also take someone with you if you need a carer/assistant to help you at your appointment / service. Unfortunately we are unable to take people who travel in a wheelchair.

Examples of journeys covered are:

- Health-related journeys to medical centres such as hospitals, doctors, health clinics.
- Other medically-related appointments and preventative health care
- Day care and respite care
- Essential shopping
- Social activities or other activities to help with general wellbeing

Transport bookings can be made from 9.00am to 5.00pm Monday to Friday (except public holidays) by phoning 0344 800 8020

You can book a journey up to a maximum of 2 weeks in advance – a minimum of 3 working days’ notice needs to be given. In some circumstances, we can arrange for the volunteer driver to wait at the appointment venue for a maximum of one hour. For longer appointments the driver will leave and return which may incur an additional journey charge.

Whilst we will do our very best to undertake all journeys, journey requests are subject to transport resources being available. We have to make best use of our vehicle resources. This means that you may share your journey with another person

A charge is made to cover the cost of fuel and general wear and tear of the volunteer driver’s vehicle. This is currently 45p per mile and is paid direct to the driver.

For more information call 0344 800 8020

195. **Rural moped scheme**

The Kickstart Norfolk, Rural Scheme is only available to individuals residing across Norfolk and certain Suffolk areas who are unemployed and working with a Jobcentre Plus Advisor to move towards employment. The Rural Scheme will provide the individual with the following:

a. Issue of a 50cc Moped – The Scheme will provide the moped at a discounted price of £17.

b. Issue of 110cc Scooter – The Scheme will provide the scooter at a discounted price of £25.

By providing transport at a discounted price the Kickstart Norfolk, Rural Scheme is accessible to those on benefits. At present there is no funding available to provide the individual with Compulsory Bike Training (CBT) or to issue them with Safety Clothing and Equipment.

Prior to joining the Rural Scheme, the individual will agree to both an Individual Action Plan and Communication Plan that will require them to speak to Kickstart on a weekly basis.

**On completion of the 6-month funded period the moped will be collected by the Kickstart Charity unless the individual states they are happy to self-fund the full weekly hire cost.**

197. Independent Travel Training

TITAN - Travel Independence Training Across the Nations Adult Services

Breaking down the barriers to travel.
If you know someone that could benefit from some support with travel, please visit the link below to make a referral into the TITAN service. We are able to provide advice, signposting, and practical 1:1 support with becoming more confident to travel independently.

Referral form- Click here.

Who can be referred?
The TITAN team work with children Post 16, and Adults.

Who can make a referral?
Anyone can make a referral, please use the form to include as much information as possible about the individual and their needs.

What happens with my referral?
Once you complete the form you will receive an email to confirm it has been received. The team will process the referral and decide upon the most appropriate support. We may use contact details to arrange a house visit to discuss support options with individuals and their families/carers.
If 1:1 travel training is deemed suitable, it is more than likely this will take place during the summer months when the team are able to be more flexible.

198. Disabled Person Rail Card

A web site where you can view different formats for the disabled persons railcard leaflet. A copy of the application form is available as a PDF, in large print, easy read and audio. There are some things I didn't know, but might be of interest:

**Children and teenagers**
Five to 15-year-olds who have a disability listed on the form at the back of this leaflet also qualify for a Railcard. This enables them to pay the usual child fare but also gives 1/3 off most fares to one adult travelling with them.”

**Discounted fares for disabled people who do not have a Railcard**

**Blind or partially sighted customers travelling with a companion**
If you are registered as blind or partially sighted and you are travelling with another person, the concessionary discounts below apply to adult fares only for both you and your companion. You cannot get a discount if you are travelling on your own. You must show a document confirming your disability when you buy your ticket and when travelling. It must be either a CVI/BP1/BD8 certificate or documentation from a recognised institution, for example, Social Services, your Local Authority or Blind Veterans UK. Tickets can be purchased from staffed National Rail station ticket offices.

**People who stay in their own wheelchair for a rail journey**
If you need to stay in your own wheelchair during a journey and you do not have a Railcard, you are eligible for the concessionary discounts below on both adult and child fares. The discounts below apply if you are travelling alone. They are also available to one adult travelling with you. Tickets can be purchased from staffed National Rail station ticket offices.”

200. Help with Transport

Improving your transport options
Most people prefer to live independently for as long as possible and we want to help you keep your independence. Transport is an important part of keeping independent and staying in your own home. However you may find that, if your situation changes or as you get older, you have to think differently about how to get around so that you can continue to do the things that are important to you.

We expect people who are assessed as eligible for support services from Adult Social Services to meet their own needs for transport to access services or support. Adult Social Services will only fund transport in exceptional circumstances where there is no suitable or appropriate alternative. For further information see Adult Social Services Transport policy.

Information to help you find the right transport for you
We want to help you find the information you need to get out and about and stay independent. There are lots of possibilities that could make access easier, or save you money, or even open up a new route altogether. A lot of people aren’t aware of all their options, so the following are a quick reminder.

201. Assistive Technology in the Home

What is Assistive Technology?
Assistive technology is a range of electronic gadgets that can help you to live independently in your own home. This includes things such as:

- Sensors/detectors that link to a monitoring centre (via your rented community ‘pendant’ alarm). For example, smoke, low temperature, falls, and property exit sensors
- Global Positioning System (GPS) location devices that use a mobile network to raise an alert to a carer or monitoring centre, e.g. the buddi GPS device
- Triggers/sensors that can support a person or their carer in and around the home. For example, pendant buttons, door contacts or motion sensors linked to a pager

Who is the service for?
This service is for adults over 18 years living in their own home (this excludes residential/care homes).
The Assistive Technology team will carry out an assessment to see if you would benefit from having any electronic gadgets that would help you to stay independent and/or provide support for your carer.

How much does it cost?
The assessment is free, and many of the gadgets are available on free loan. However, as part of the assessment we might suggest some other gadgets that we do not provide that we think would be useful. The person carrying out your assessment will be able to suggest places where you can buy these directly.

How to contact us
If you already have ongoing support from Adult Social Services, please speak to your social worker about referring into our service.
You can also contact our Customer Service Centre to ask for a referral to the Assistive Technology team.

202. Careline Alarms & Assistive Technology

Careline Community Service can provide and install equipment within the home to support people to live independently;

- Careline Alarm – 24/7 assistance at the press of a button
- Key safe – Providing secure access to your home (i.e. for carers/paramedics)
- Assistive Technology – Linked smoke/CO2 detectors, GPS trackers, activity monitoring devices

Careline Community Service is operated by The Borough Council of King’s Lynn & West Norfolk and can offer competitive prices. Grant funding may be available to cover the installation cost if you live in west Norfolk and are in receipt of a qualifying benefit or experience memory loss.

To book an installation or to find out more please contact us on: T: 01553 616200 (Option 6) W: careline-cs.org.uk E: careline.operators@west-norfolk.gov.uk

203. Care & Repair

Care & Repair offer an adaptation and handy person service to help adapt people’s homes to ensure they continue to meet their needs.

Adaptations include;

- Access ramps
- Stair lifts
- Level Access Showers
- Door widening
- Equipment

Adaptations are based on individual requirements and grant funding will be sourced where possible. The handy person service can offer the following works;

- Grab rails
- Smoke or carbon monoxide alarms
- Furniture raisers
- Improving lighting
- Equipment including half steps, bath boards and perching stools
- Low level dementia measures

Up to £300 grant funding could be available for west Norfolk residents who have a disability or health condition.

204. Norfolk Recycles

Norfolk Recycles has created a bespoke to Norfolk recycling locator tool, to give users various options of what to do with their waste before considering disposal. We are keen to encourage the reuse of suitable items preventing them from heading to landfill. Organisations can sign-up to offer shops/collections as reuse options for people in Norfolk.

https://www.norfolkreycles.com/where-can-i-recycle/bingenie/

It currently has recycling options available but very few reuse options, we would like to increase the number of reuse options listed and eventually add repair organisations to it.

Reuse organisations will sit above the Recycling options (as per the waste hierarchy) and will be shown in distance from the users’ postcode. An ‘account’ would allow multiple shops/outlets if applicable, to specify items you accept/offer and advise whether you offer a collection service as well as any contact details. A notes section can detail any requirements for items and or delivery/collection charges as well as a check box for fire safety labels on furniture (if you accept this).

If you are interested in joining this project or would like me to know more, please contact.

208. Purfleet Trust

The Purfleet Trust was set up as a charity in 1993 to provide help for single homeless people in King’s Lynn and West Norfolk. Its services now include housing advice to help people find accommodation, support to help them maintain their tenancies, and a Health and Wellbeing Centre providing a daily hot meal and the opportunity to gain some essential life skills. The centre can be used as a postal address and there is free access to both computers and the telephone.

**Housing Services** As part of our commitment to reducing homelessness in West Norfolk we operate services to single people who are homeless or vulnerable to homelessness with housing related issues. The Housing Services Team support people who are homeless including rough sleeping and those who are vulnerable to homelessness into suitable, secure, affordable and sustainable accommodation. The Housing Services Team provide a range of pre- and post- tenancy specialist housing services for people who are vulnerable to becoming homeless and who have housing related needs. Our provision includes:

- Support for rough sleepers to move off the streets.
- Housing advice and assessment for offenders / or people using substance misuse treatment and mental health services locally
- A tenancy support service providing housing support to enable people to remain in their home.

**Health and Wellbeing Centre** The Health and Wellbeing Centre is often the first point of contact a homeless person has with Purfleet. We provide a safe, supportive, welcoming environment where single homeless can access a range of services. Our services include:

- Accommodation
- Showers
- Laundry facilities
- Change of clothes
- Benefit support
- Job search support
- Functional skills courses
- Basic life and social skills support

**Contact Us** We are here to help, whether you are homeless, under threat of becoming homeless, or would like to refer a homeless person. You can contact us by coming into the Centre, by telephone or email. **Please note the new address FROM 17th September 2018.**

209. Shelter Services
Our offices are at Whitefriars House, 50 Fishergate, Norwich NR3 1SE

We offer a wide range of help and advice on all housing and homelessness issues. We have a team of advisers and solicitors who may be able to help you with your problem – and if we can’t help, we work with other agencies who can.
We have computers and telephones you can use to access the internet for advice, claim benefits, or bid on properties. We also offer regular advice sessions in other parts of the county other than Norwich; contact us to see if there is one near you. (These are in Kings Lynn and Great Yarmouth)

Issues we can deal with:

- Homelessness, or worried you’ll soon become homeless
- Looking for accommodation
- Having problems with your landlord
- Being evicted or repossessed
- Debt problems
- Benefits issues
- Problems with disrepair
- Need help going to court regarding your housing

Even if your problem isn’t listed above we may still be able to help – just give us a call to discuss.

210. Housing & Homeless Community Support

King’s Lynn and West Norfolk Community Support

The new King’s Lynn and West Norfolk community support service will commence on 1st March 2018. The team will work with customers 18+ who have complex needs in order to prevent and reduce the risk of homelessness to ensure a reduction in the number of individuals currently rough sleeping in the Borough.

The service will also reduce the impact of homelessness and crisis on statutory and other voluntary and specialist agencies in the King’s Lynn and West Norfolk area working with partners to meet their Homelessness Reduction Act obligations.

The service aims to achieve these outcomes by supporting service users to remain in their homes and aid those who are rough sleepers to find accommodation. This will include attending assessments and appointments with benefits and debt management agencies, mental health community support teams, local voluntary and specialist providers, housing providers, drug and alcohol support services, probation and the Community Rehabilitation Company. Once the service user has attained a level of stability either by securing or maintaining accommodation, or reduction in mental ill-health crisis, the team will deliver preventative actions, including building resilience and skills to prevent the risk of future homelessness through our Home Achievement Programme (HAP), employability pathway and peer support groups. We will also support attendance at the Recovery College and engagement with other local community projects.

The team will be based in King’s Lynn with facilities to meet service users on site, offering drop in sessions in King’s Lynn and other areas across the Borough where a need is identified. Group sessions will be held to meet the need of those using the service as will face-to-face contact. The service will operate Monday to Friday 9-5.

The service will complete risk assessments, person-centred planning support plans and use the outcomes star to determine progress. Service users will receive intensive support to enable fast progress in meeting outcomes and engage with others involved in the service user’s life. The service will be delivered using the psychologically-informed environment approach.

211. Integrated Housing & Community Support

Norfolk Integrated Housing and Community Support Service

The Norfolk Integrated Housing and Community Support Service supports adults (aged over 18) with severe and enduring mental health needs, including individuals with complex needs. The service supports people across the whole of Norfolk in supported living and within the community.

How can we help?
The service works with individuals to identify and make changes in a variety of areas of their lives in order to improve their wellbeing. It aims to support people to achieve their goals and to live as independently as possible in their local community. We support people in supported living (located in Norwich, Great Yarmouth and King’s Lynn) and within the community.

We can support people to:

- Improve their wellbeing and develop self-management skills
- Develop practical living skills including maintaining a tenancy, cooking and budgeting
- Access community resources
- We offer a variety of support to meet each individual’s needs and circumstances including:
  - Supported living – staffed 24/7
  - Personalised one to one support
  - Connecting with people who have a lived experience of mental health through one to one peer support and peer led groups

212. Mental Health Money Advice

Four million people in the UK currently experience mental health and money problems. A further four million are at risk of developing mental illness because of their financial situations. At Mental Health UK, we recognise that this is wrong, and we’re launching a new service to help take some of the pressure of those in need.

The Mental Health and Money Advice website has been specifically designed to offer clear and impartial advice to people experiencing both mental health and financial issues. Together these problems create an ongoing cycle that affects all aspects of our lives.

The website will offer free information, support, and useful tools all in one place, creating an easy to use portal open to anyone affected by these matters, including carers, family members, and industry professionals.

Up until now there has been no UK wide service provide to offer both mental health and money advice together. We recognise that people experiencing a combination of issues do not need their lives made more difficult by having to visit many different sources/websites to get the information they desperately need.

The service has been designed to offer detailed advice across a broad range of topics, including:

• Expert advice on the most common mental health and money related issues
• Free tools and calculators to help you create a clear plan for your financial future
• Sample letters and templates that can be used to contact creditors, healthcare professionals or organisations that you might need when dealing with money issues
• Real life stories from people that have been in similar situations to you and overcome their problems
• A list of useful contacts across all of our subject areas, should you really need to speak to someone

This service was made possible thanks to the fundraising efforts of staff at Lloyds Banking Group. They voted to choose Mental Health UK as their Charity Partner for 2017/2018 and have successfully raised over £2 million to support those in desperate need of specialist support.

214. E.ON Energy Fund
“The E.ON Energy Fund has been set up to help the most vulnerable existing or previous customers of E.ON Energy, and who live in England, Scotland or Wales. The Fund can help pay current or final E.ON energy bill arrears. It can also help E.ON customers by providing replacement household items such as cookers, fridges, fridge-freezers and washing machines – and also help to replace and repair gas boilers as well as e-learning vouchers. The e-learning vouchers can support them in managing their finances, stay out of debt, help earn a qualification and if needed help them back to work.”

215. EDF Energy Funding
“The EDF Energy Trust is a registered charity operating since 2003, to help individuals and families in need, poverty, suffering and other distress who are struggling to pay their gas and/or electricity debts. Applications to the Trust are accepted from current domestic account holders of EDF Energy (the person/persons named on the bill).

The Trust helps by giving grants:
• To clear gas and electricity debts owed to EDF Energy.
• To clear gas and electricity debts owed to other suppliers.
• For Bankruptcy / Debt Relief Order (DRO), Sequestration and Minimal Asset Process fees, purchase essential energy efficient white goods and cookers (these payments are known as FAPs (Further Assistance Payments)).

The aim of the Trust is to give vulnerable individuals and families a fresh start to enable them to keep free of debt going forward. Applicants are strongly advised to seek money advice before applying to the Trust. [https://www.edfenergytrust.org.uk/](https://www.edfenergytrust.org.uk/)
216. Warm Home Fund

Norfolk councils are working together to tackle fuel poverty and improve cold homes across the county.

Can you help us reach those living in cold homes who may benefit from extra help to keep warm?

Do you support people who:
- have long term health conditions, low income, and/ or disabilities?
- live in cold homes without central heating?
- may be struggling to pay their heating and electricity bills?
- need extra help to stay warm and well?

Norfolk Warm fund project can help eligible households* with:
- Installation of first-time central heating for private owned or rented properties without central heating (up to 75% grant funding for landlords with eligible tenants).
- Grants up to £500 to help with emergency work such as repairs to domestic heating systems.

Households are likely to eligible if they have:
- No central heating (this includes homes currently heated by storage heaters, electric radiators, open fires or gas fires), and
- A low income or receive certain benefits.

Please note, grants are available on a first come first served basis.

Norfolk Warm Homes team will also support individuals with advice on energy saving, fuel debts, grants, switching suppliers, income maximisation, charity grant applications, priority service register and signposting to other services.

The warm Homes Team can offer home visits for the most vulnerable households.

218.  Turn 2 Us Financial Support

Turn2us is a national charity helping people when times get tough. We provide financial support to help people get back on track.

https://www.turn2us.org.uk/

The charity is offering specific advice to parents about help with costs of sending your kids back to school

As the school holidays start to wrap up and children get ready to head back to the classroom, there may be a large shopping-trip on the cards for some parents.

The cost of school uniforms, new shoes and stationery as well as other things can add up quickly. We have listed below some resources that may be able to help if you are on a low income.

Benefits
There are many benefits out there to help parents with the costs of raising a child. Use the Turn2us Benefits Calculator to find out what you might be entitled to.

Charitable grants
If you are on a low income, help may be available through a charitable grant to help you with the costs of sending your kids to school. Use the Turn2us Grants Search to find a grant for you.

Food
Over a million children are eligible for Free School Meals. To find out if you can apply, you need to get in touch with your local council.

Childcare
There are a range of Government and employer childcare schemes to help families with the costs of childcare. Read our news story about Help with childcare news article for more information on your options.

School uniform
In addition to grants and other funds, many local councils have their own schemes to help with the cost of buying new school uniforms. Find out if your local council can help you with the costs of school uniforms.

Transport
Some children will also be eligible for help with the cost of home to school transport. Find out if your local council can help you with the costs of transport to and from school
219. Budget Card Savings Scheme

We know how tricky it can be to budget for your household bills and Christmas spending. With Budget Card Plus from the Post Office, you take control of your household budget by putting a little money aside regularly to cover your household bills, gifting occasions and spread the cost of Christmas. With the Budget Card Plus you can’t go overdrawn and because you’ve put your money aside, you won’t be tempted to spend it. You can check the balance of your card whenever you want online; or over the phone.

Budget Card Plus is a pre-paid card which means that money must be loaded onto the card before it can be spent. Interest is not payable in respect to card balances. Use your Budget Card Plus to put away money for Christmas as frequently as you wish at your local Post Office. From the 1st November until 31st January you can shop or buy gifts with your Budget Card Plus card at over 22,000 high street stores nationwide and at selected online stores including Amazon.

With Budget Card Plus you can budget and pay for many household bills and services by paying with your Budget Card Plus card at your local Post Office. You can pay the following bills with your card: Car Tax Gas Bill Electricity Bill Council Tax Telephone Bill Council Rent Payments Fishing Licence

228. Vicar’s Relief Fund

The charity covers the whole of the UK – includes money to cover hoarding clear up. “The VRF provides small crisis grants of up to £350 to support people who are at risk of, or currently experiencing homelessness or vulnerable housing, to establish and maintain their tenancies. Types of applications include funding to secure accommodation and to clear rent arrears following an eviction notice.

We only accept applications from paid frontline workers providing support to people who are experiencing homelessness or vulnerable housing.

We will provide grants for:
- Accessing accommodation – Rent deposits, rent in advance, admin fees, ID, or temporary accommodation costs.
- Preventing eviction – Rent arrears, service charge arrears, Debt Relief Orders and bankruptcy fees or money to pay for a hoarding clean up.
- Setting up home – Household goods or moving costs.

For more information and to apply click here.”
229. Kings Lynn Foodbank Move

The Kings Lynn foodbank can finally move to a more permanent home. Thanks to an appeal led by Your local paper at Easter, and the generosity of the Kings Lynn Sea cadets, the foodbank will be moving to the sea cadets building on the quay.

When distributing vouchers can you let your clients know that on Monday 11th June we will have moved to the Sea cadets building, St Margaret’s Lane, South Quay, King’s Lynn PE305DS.

231. Volunteer Tenancy Mentoring
Moving to independence is a really big step for any young person. Even more so if you’ve been in care, don’t have lots of support or are struggling on a low income.

A mentor can help to bridge the gap and be someone to chat to confidentially about goals, aspirations and difficulties along the way.

How does it work?
- After successfully completing the two-day training course, being DBS checked and interviewed, mentors are carefully matched to their mentees and make safe arrangements to meet.
- They may meet weekly and no less than fortnightly. The early days are critical to building a relationship and making it work.
- Everyone signs a Code of Conduct and completes a questionnaire to understand more about the support the mentee wants and needs.
- The mentee is in charge of the relationship and decides what they want help with and for how long.
- At the end of the arrangement we will undertake an end questionnaire with the mentee and usually a final case-study interview.

We want to leave them knowing that our door remains open as well as knowledgeable about other avenues of support.

234. Young Women’s Trust Partnership

The Young Women’s Trust is a charitable organisation funded to offer tailored support to young women aged 16-30, living in England or Wales.

Youth Obligation
Although this service is available to young women aged 16-30, it will be of huge benefit to our customers aged 18-21, that need support and help to move them into work. It is a free service that has great success in motivating young women. The coaches that are employed by the trust, actively promote apprenticeships, especially in sectors where they are looking to attract more women such as construction and engineering.

Work It Out is a service they offer for young women aged 16-30 who are looking for employment, training or an alternative job/progression. The service is particularly suited for any young woman who is looking for support with:
• Confidence
• Wellbeing
• Employability

They can receive up to 6 sessions of coaching, these are:
• Free and fully flexible – they can be delivered in evenings or weekends, over the phone, text, WhatsApp or skype but not face to face
• Solution focused, delivered by professional qualified coaches
• Designed to help the person figure out what they want to do, recognise their best skills, stay motivated, help with mental health, relationships, family or money issues, build confidence, help them perform better in interviews, plan for the future and signpost to other helpful services.

They also offer a service where young women can send a copy of a job application or CV along with the job advert and person spec and they will offer feedback on this before they submit it. The feedback is provided by HR Professionals which is on-line service, free and easy to use.

You can register or signpost a young woman in any of the following ways:

236. On Track Training and Employment

On Track is a new service maximising the opportunities for 531 project eligible 16 to 24 year olds to access the skills, qualifications but more importantly the inner belief and self-confidence needed to secure and sustain employment.

It coaches with young people facing multiple barriers to education, training and employment, such as:

- Mental health issues
- Substance abuse
- Learning difficulties
- Disabilities
- Previous offences

For the 18-24 age group, the primary aim is for project participants to enter sustainable employment as quickly as possible.

The priority for 16-17 year olds who are not in employment, education or training (NEET) is to get them back into education or work-based training.

On Track provides

**Coaching** - providing one to one support

**Go programme** - a package of interventions tailored to personal needs

**Move on Workers** - helping participants transition to access an opportunity

**Volunteers** - recruited from employers, trainers education and the community

Referrers will be contacted by On Track’s Senior Technical Administrator who completes the initial eligibility checks. If the participant meets the criteria they will be assigned a coach who will meet them personally to gather more information;

The project brings together seven organisations: The Matthew Project (lead), ACE, GYROS, NANSA, The Prince's Trust and YMCA Norfolk in a unique partnership delivering coaching, vocational training, work placement and support services for young people not in education, employment or training (NEET) or at risk of being so.

You can contact On Track in the following ways:

239. Apprenticeship Opportunities

National Apprenticeship Service have details of opportunities on the Find an Apprentice website - https://www.findapprenticeship.service.gov.uk/apprenticeshipsearch

Apprenticeships Norfolk have updated their website. There are now sections available for people thinking about becoming an apprentice, employers looking to take on an apprentice, apprenticeship training providers and people working within a school and/or giving careers advice.

https://www.apprenticeshipsnorfolk.org/

If you would like some information to appear in the Service Directory, to unsubscribe or report an error please contact keith.mawson@norfolk.gov.uk
TrAC Apprenticeships Norfolk has been created to provide tailored support to employers who are able and willing to offer a minimum 6-month work placement to help care leavers, looked after children and other young people aged 16-24.

TrAC Apprenticeships Norfolk is a LIFT and Skills Deal Funded project. Our aim is to support young people, like yourself, gain work experience, get into Traineeships and complete Apprenticeships.

Once you have been referred onto the TrAC Apprenticeships Norfolk project a member of the team will call you. This is a good opportunity to let us know what apprenticeship you would like to go into, it's okay if you're unsure - we can place you in work experience placements to help you choose!

We are your employer
TrAC Apprenticeships Norfolk is an Apprenticeship Training Agency, which means that we are the employer. If you are successful throughout the TrAC Apprenticeships Norfolk process, you will be placed with a host company in your local area to gain practical experience.
This is where you will complete your Apprenticeship, but you will be paid and supported by TrAC Apprenticeships Norfolk. We will support you throughout the process.

As an Apprenticeship is not guaranteed as a lead on from work experience, you will need to show the host company that you are a valuable member of the team. Work experience is a fantastic way to gain skills within the sector that you want to go into, this can also be added to your CV.

If you have any questions, please don’t hesitate to get in contact to ask us about the project!

251. Open Road Bursary Fund

New from September 2017 – Bursary Fund
Open Road are very pleased to announce that we have secured funding via a grant from the Garfield Weston Foundation to create a small bursary fund which will enable us to offer young people access to the centre. The bursary fund will be available for any individual for any of our activities if good reasons can be given and funding can be up to 100%.

Applications
Applications will be on a rolling basis and accepted throughout the year. To be considered please complete a Bursary Fund Application and Consent form which can be found on the website under ‘Forms’.

Open Road Bursary Fund Guidelines
Support for schools and their students.
We do not intend to use the bursary fund to support school students. However, we would consider supporting an individual in an exceptional circumstance if the bursary would be the difference between them being able to participate or not.

Support for other charities or community groups
The bursary fund could be used to support a group 100% who were using Open Road for the first time and who did not have core funding to pay for the use of the facility. The bursary fund could be used to support individuals within the group up to 100% if good reasons were given and outcomes were agreed. For further information please see the website www.openroadtraining.co.uk

253. **Long Term Unemployed**

Work Routes is a new initiative designed to help long-term unemployed people start and sustain work. It is a voluntary programme that tailors itself to meet the needs of local jobseekers, to overcome their barriers to work, with a range of personal support available for up to a year. By working collaboratively with a range of specialist local partners, this service can reduce economic inactivity and support people to change their lives for the better.

To be eligible for this provision individuals must be unemployed or inactive and fall into one or more of the following categories:

- Long Term Unemployed or Long Term Inactive (26 weeks or longer)
- Basic Skills need
- Have more than one barrier to employment such as: A lone parent / An older worker (50+) / An ex-offender / Caring Responsibilities (including those returning to employment when caring responsibilities end) / Have physical disability or health condition, including Sensory Impairments / Mental Health or Learning Disability / Drug/ Alcohol dependency / An ethnic minority / Have low or no qualifications / Language Barrier (English not first language, etc.).

256. Building Better Opportunities

Building Better Opportunities (BBO) is a European Social Fund (ESF) and Big Lottery funded programme aiming to tackle the poverty and social exclusion faced by the most disadvantaged people in England.

The employability programme will support a significant number of those furthest from the labour market back into work in priority areas of Peterborough, Fenland, Kings Lynn and West Norfolk identified in the GCGP LEP ESIF strategy.

It will proactively tackle inequality by targeting underrepresented groups and those with additional barriers to foster greater social inclusion both in terms of economic and community participation. Employability offers an innovative programme design based on a personalised approach with a tailored package of barrier busting and support interventions which are designed and commissioned with participants

260. **Norfolk Reading Pathway**

Free 1-2-1 support to help people across Norfolk be better readers.

Do you know someone who would like to get involved?
- Anyone aged 8 to 80 can take part and it doesn’t matter whether they are complete beginners or want to improve their current reading skills.
- Sessions are 1-2-1 in a local library; so people can learn at their own pace.
- Help and support for learners to take up other learning opportunities, if they wish to do so.
- It’s a completely free programme so people have nothing to lose by giving it a try and seeing how it goes!

The initial funding for this project came to an end on 31st March but the library service will be carrying on with the programme after that date, with a few changes.

Day to day management/coordination of the programme will move to library managers to give customers a more localised service and there will no longer be a central coordination/referral point.

If you have a query or wish to refer a customer, please contact the relevant library direct by email (or phone if urgent).
Email addresses can be found on the library website here

Alternatively, you can use the generic library email which is libraries@norfolk.gov.uk but please remember to include the relevant library/area so your enquiry can be forwarded on quickly

**What next?**
For more information about Norfolk Reading Pathway or to refer a learner, you can pop into any public library in Norfolk, Email nrp@norfolk.gov.uk
Or telephone our Customer Support Centre on 0344 800 8020.

262. WEA Pathway Programme

The Workers Education Association is a unique adult education provider working with hundreds of organisations at local, regional and national levels, alongside developing and running courses with the public, private and voluntary sectors. The WEA is a Specialist Designated Institute (SDI) in England and receives public funding from the Skills Funding Agency.

What are the WEA Pathways and how can they help your organisation?

- Are you looking for an adult educational provider to deliver training?
- Does your organisation work with communities?
- Are you involved in adult education, lifelong learning and/or upskilling adults?

At the WEA we work in partnership with hundreds of community organisations, employers and trade unions - delivering adult education ‘within reach’ of local communities.

The WEA pathways have been developed as our new partner programme offering a range of courses tailored to suit you.

There are 3 stages in each Pathway to provide WEA students with progression opportunities:

1. Get Started
2. Develop
3. Moving on

The Get Started range of courses and tasters aim to build confidence and self-esteem. Students can move through the different stages; enrolling on tasters, short courses or longer, accredited courses. Some students may wish to start at the Develop stage. Students can move freely between pathways under our ‘personalised learning’ philosophy.

Join us in offering FREE 2 hour tasters this summer – simply select a Pathway below to see which tasters are available.

There are many ways you can partner with us. We have partners who contribute venues, assist with recruiting and supporting students and course promotion.

To find out more and arrange a meeting with a WEA contact in your area, please email pathways@wea.org.uk with the following information:

- Name
- Organisation
- Reasons for enquiry
- Region
- Contact details

263. Wellbeing of Children eLearning

The Child Outcomes Research Consortium (CORC), in partnership with the Anna Freud Learning Network, has developed its first ever online eLearning module.

‘Measuring mental wellbeing to improve the lives of children and young people’
This eLearning aims to increase the awareness, understanding and confidence of non-specialist and school staff who support the wellbeing and mental health of children or young people to access the benefits associated with measuring mental wellbeing. This free interactive short course aims to demystify and simplify the whole process of using outcomes and feedback measures to monitor mental wellbeing and is laid out in six easy to follow parts:

1. Understanding mental wellbeing
2. Introduction to outcome measures
3. The benefits of measuring mental wellbeing
4. Selecting and using measures
5. Best practice using measures
6. Using and interpreting data

Outcome measurement has become a focus of funders, commissioners and policy makers, as a tangible and reliable way in which to assess the welfare of children and young people in the care of wellbeing services and schools. The process can also have important benefits for the children and young people themselves as well as for associated professionals, projects, interventions and services.

264. Family Support Process Training

Course aim
The Family Support Process Core training will give you a good working knowledge of the Family Support Process including how to gain informed consent; how to complete the Family Support Form; who to involve; when to share information and how to plan the next steps. In addition, as it is a multi-agency training course it offers you a chance to network with colleagues from other agencies.

Who should attend?
This training is suitable for people who work with children and young people aged 0-18 years or people who work with adults who have children. It is a multi-agency training course, and is open to all agencies and services in Norfolk. We recommend that even if you have previously attended either CAF or FSP training that you join us on this one day training as the Family Support Process now incorporates the Signs of Safety approach. We recommend that at least one worker from your agency attend.

For the latest training dates please see

Core Training Dates

All our training events are free! Please ensure that you advise at least seven working days in advance if you cannot attend. For all Family Support Process training sessions all cancellations and non-attendance, regardless of the circumstances, which are made within seven working days of the start of the course will incur a cancellation fee of £50 per person. If you are unable to attend the training you must contact us in writing to the locality contact to cancel your place.

How do I book?

267. Family Practitioner Network

Family Practitioner Network from Educator Solutions

The Family Practitioner Network provides professional advice and information for all those working with families in a supportive and advisory capacity.

Course Outline
‘Our network meetings are invaluable. It’s so important for us to know about and understand the updates, find out about the new structures in Children’s Services, hear from the support agencies which are still out there, get together with other family practitioners, talk through issues and share solutions. The network meetings help us feel less isolated and equip us to work effectively’. (Participant on network)

The 6 meetings (one per half term) provide the opportunity for practitioners working directly with families
To:
• receive ongoing CPD
• receive relevant and current briefings from statutory bodies, voluntary organisations and support agencies
• facilitate co-operation, mutual support, the sharing of resources and best practice.
Practitioners are also members of a virtual discussion forum, receive half termly newsletters and receive email and telephone support from a specialist adviser.

Outcomes
Informed, confident and competent family practitioners able to support, advise and, where needed, challenge parents in their parenting and care giving role.

268. Schools in Mind

Schools in Mind is a free network for school staff and allied professionals which shares practical, academic and clinical expertise regarding the wellbeing and mental health issues that affect schools. The network provides a trusted source of up-to-date and accessible information and resources that school leaders, teachers and support staff can use to support the mental health and wellbeing of the children and young people in their care.

We know that schools are on the frontline when it comes to children’s mental health. School leaders and teaching staff work hard each day to support the mental health and wellbeing of their pupils and we are determined to help them in every way we can.

Our child mental health experts have also developed a booklet series aimed at supporting all staff working in school settings.

The Norfolk Community Directory (www.norfolk.gov.uk/directory) is an online directory that anyone can search for community clubs, groups and services across Norfolk. People can search using keywords or their location. They can narrow the results to get a list of organisations near their postcode or include the whole of Norfolk.

If you provide a service or run a club or group, you can:
- Create listings for your club/group/service
- See where there are gaps for a particular club/group/service and set one up
- See what is available in an area already before setting up a similar club/group/service

Register for an account to get listed in the Directory. It’s free.
Visit communitydirectory.norfolk.gov.uk/RequestLogin and add your username and contact details, plus the name of the organisation that you want to add. Our admin staff will check that your organisation fits into the categories for the directory. If we accept your request, you’ll then receive an email with further instructions for completing your sign up.

You’ll then be able to add your first listing.

About your privacy
The contact details you register with us are private. Only the information you provide when you create a ‘service’ listing in the Directory is shared with the public.

Help people to find your listing
Here are some tips to help make your listing easier to find:
- Keep the description short and to the point
- Check for misspellings
- Use keywords and key phrases that describe what you do. Think about the words or phrases that people might use when they are searching
- Keep your information up to date

Keeping your information up to date
Every 6 months we’ll email you and ask you to let us know that your record is up to date. It’s easy to do. Just sign in, check your record(s) and click ‘Update’. If you don’t do this, we’ll send you some reminders but if you haven’t updated after a few months we may remove your information.

Don’t have an email account?
Family and friends might be able to help you set up your own email account.
The library service has volunteers who can help with computer skills using the library’s computers or your own mobile device, like a smartphone or tablet. Ask at your local library.

If you can’t use an email account or if you need help to register contact Debra Lawrence-Bell at debra.lawrence-bell@norfolk.gov.uk or call 07770 432858
273. LILY website

Lily provides a comprehensive range of support in west Norfolk to combat loneliness and social isolation in adults of all ages. The project is linked to the ‘No Lonely Day’ initiative, and encourages our residents to develop friendships and engage in our local community. Lily has a strong focus on community development, by:

- helping groups to arrange activities and encouraging volunteering
- providing community events and onsite information sessions
- providing support for employers, schools, and colleges

Accessing Lily
You can access Lily in a variety of ways:

- the Lily online directory [www.asklily.org.uk](http://www.asklily.org.uk)
- by emailing [asklily@west-norfolk.gov.uk](mailto:asklily@west-norfolk.gov.uk)
- by telephoning 01553 616200 option 6
- at community groups, locations and events
- home visits from a Lily advisor

Why use the Lily online directory?
The Lily online directory lists organisations, services and activities that help people to live healthy, active and independent lives. It is expanding to include more and more information relevant to adults of all ages. Topics include:

- Things to do
- Care and support for you
- Housing and care homes
- Caring for others
- Transport and getting around
- Staying safe
- Learning, work and volunteering
- Advice and advocacy
- Health and wellbeing
- Childcare and family support
- Money matters
- Lily in your community

Lily advisors
Our Lily advisors are from five local voluntary organisations:

- West Norfolk Befriending
- West Norfolk Carers
- West Norfolk Deaf association
- Family Action Swaffham
- West Norfolk Mind

Adults over the age of 18 who are lonely and socially isolated can be referred to us and have up to five one-to-ones with a Lily advisor who will identify any barriers and support them to connect with our community.
274. Case Study for Childrens Services
North Lincolnshire’s Whole Council Approach
The LGA has published a case study on North Lincolnshire Council and their approach to improvement in Children’s Services.

275. Home Education on the Increase Report
Skipping school: invisible children. How children disappear from England’s schools (Children’s Commissioner)
This report examines what happens children in home education who do not show up in school records. It explores what we know about the growth in home education: what is driving it, the impact it is having on children and what should be done to address it.

276. Care & Support Jargon Buster
There is a lot of jargon in social care and ‘think local act personal’ is committed to busting it. Our Care and Support Jargon Buster is an A-Z directory of Plain English definitions of the most commonly used words and phrases in health, social care and housing. Winner of the Plain English Campaign Award 2013, it has remained, year on year, our most popular product.

277. Self-neglect & Hoarding Strategy
Norfolk Safeguarding Adults Board is pleased to announce publication of its revised Self-neglect and Hoarding Strategy (2.0).

This revised strategy aims to be part of the growing work around early intervention and preventative agendas. As such it directs collaborative multi-agency discussions of self-neglect and/or hoarding cases to the Early Help Hubs (EHH). To encourage a more preventative approach to cases of self-neglect and/or hoarding, the trigger point for taking a case to the EHHs is level 2 (image 4 upwards) on the Clutter Image Rating Scale (CIRT).

Published alongside the strategy is a Practitioners Guide. This slim guide is intended as a toolkit to support practitioners from a range of agencies with management of cases where an adult is deemed to be at risk due to self-neglecting and/or hoarding behaviours

278. Healthy Aging Toolkit

Norfolk County Council publishes Healthy Ageing Toolkit

Norfolk County Council has produced a Healthy Ageing Toolkit to support older people to stay safe and well at home this winter: [www.norfolk.gov.uk/healthyageingtoolkit](http://www.norfolk.gov.uk/healthyageingtoolkit)

The Healthy Ageing toolkit is designed for anybody who is supporting older people in the community, including families, carers and older people themselves. The toolkit outlines key information about how to:

- Proactively recognise people living with frailty and/or dementia at an early stage
- Signpost older people to information and advice about these conditions and healthy ageing in general
- Work together to link older people, especially those with frailty and/or dementia, into local services that can help them to enjoy the best possible quality of life and remain safe and well at home

The toolkit was developed in collaboration with members of the Norfolk and Waveney Healthy Ageing Steering Group.

The Healthy Ageing Toolkit forms part of NHS and Public Health England’s [Help Us Help You Stay Well This Winter campaign](#).

Healthy Ageing - we need your support!

We need your support to promote the Healthy Ageing Toolkit. Cold weather can be tough for everybody, but it’s especially hard for people aged 65 and over. This winter, Norfolk County Council has worked with NHS, District Councils and Third Sector colleagues to produce a healthy ageing toolkit. This toolkit sets out some practical ways that we can all work together to enable older people to stay safe and well at home this winter.

The toolkit is free for anybody to use: [www.norfolk.gov.uk/healthyageingtoolkit](http://www.norfolk.gov.uk/healthyageingtoolkit)

New ways of working

Healthy Ageing is part of Norfolk County Council’s Promoting Independence strategy and sits alongside the Living Well approach.

Promoting Independence

ASSD’s vision is ‘Supporting people to be independent, resilient and well’.

To achieve this vision, we have a strategy – Promoting Independence – which is shaped by the Care Act with its call to action across public services to prevent, reduce and delay the demand for social care. The strategy has three main elements: Prevention and early help; Staying independent for longer and Living with complex needs.

The Living Well approach

A key project within Promoting Independence is Living Well – a new strengths-based approach to social work It builds on the Council’s ‘Caring for our County: A vision for Norfolk in 2021’ and aligns with other developments across the Council to take a locality and community-based approach.

279. Carers Action Plan 2018-20

This action plan outlines the cross-government programme of work to support carers in England over the next two years and builds on the National Carers Strategy. It retains the strategic vision for recognising, valuing and supporting carers from 2008, which has been the vision of successive governments. It sets out this Government’s commitment to supporting carers through 64 actions across five priorities emerging from the carers' Call for Evidence. The actions focus on delivery and tangible progress that can be made in the near future, and give visibility to the wide range of work that is planned or already underway across government to support carers, their families and those they care for.

280. Families Facing Adversity Report

Children living in families facing adversity can struggle to access support

NSPCC new report helps professionals understand and support young people whose parents are affected by domestic abuse, substance misuse and mental health problems

**Key Findings**

Children and young people talked about the impact living in a family facing adversity has on their wellbeing. Effects can include: mental health problems, poor performance at school, self-harm, suicidal thoughts and feelings, struggling to build and maintain relationships with friends or partners.

Some young people living in families facing adversity told us about taking on caring responsibilities for themselves, their siblings and/or their parents. However many do not see themselves as young carers and are unaware of the support available to them.

Young people living in families facing adversity can experience difficulties getting the support they need. This might be because they don’t feel able to talk to their parents about how things are affecting them, or because they’re concerned about what will happen if they tell someone.

They may worry:

- about themselves or their siblings being taken into care
- their parents will be unable to cope if the family is separated
- their parents’ problems will get worse if the family is no longer together

281. Equality Advisory & Support Service

Do you need advice?
Have you been...
Made redundant because of your age or disability?
Refused housing because of your race?
Treated differently because of pregnancy & maternity, religious beliefs or your sexual orientation?

http://www.equalityadvisoryservice.com/app/home

What do we do?
The Helpline advises and assists individuals on issues relating to equality and human rights, across England, Scotland and Wales. We can also accept referrals from organisations which, due to capacity or funding issues, are unable to provide face to face advice to local users of their services.

Some examples of the types of issues we have advised on:
- A disabled individual who was trying to update banking details through the use of an interpreter at his local high street bank.
- An individual who has been victimised by a pub landlord because he has inferred that a member of his staff was acting unlawfully by racially abusing a fellow customer.
- An individual who was unhappy about the way that the younger clientele at work treated him and spoke to him because he was an older person.
- A Trans individual, who had transitioned from male to female, who worked for a security company and reapplied for a security pass only to discover that the process for renewing her pass had disclosed the fact she had undergone gender reassignment surgery.
- A pregnant woman who was advised by a leading restaurant chain to breast feed her baby in the toilet and not in the restaurant as she was causing offence.

282. Updated Neglect Strategy

The NSCB Multi-agency Neglect Strategy has recently been revised and updated.

The overarching aim of the strategy remains the same:

“In Norfolk we aim to ensure that there is early recognition of neglect. We will work with families in a positive and empowering way, keeping a clear focus on the impact of neglect on the child. From early support to statutory intervention, there will be appropriate, consistent and timely responses across all agencies working together. The strategy should inspire all those working with children and their families to achieve this: thereby contributing to improved long-term outcomes for children.”

Key changes and updates are as follows:

- Updated child protection plan figures for Norfolk
- Recent comments from the Ofsted inspection of Children’s Services in 2015, noting early signs of improvements in the approach to Neglect
- Specific reference to the range of resources and publications about Neglect that are available here on the NSCB website
- The top principle makes clear that ‘tackling neglect is everyone’s responsibility’
- The core objectives of the strategy have been clarified
- Section 8 has been substantially amended, particularly in relation to the Graded Care Profile (GCP) and expectations around its use; it clarifies that any professional working in a team around a child can complete the GCP and it should not be seen as a tool solely used by health and social care professionals
- Updated governance, monitoring and evaluation arrangements.

283. **Children and Social Work act 2017**

The Children and Social Work Act 2017 has now received Royal Assent **the Bill has three main purposes:**

- Improving decision making, and support for looked after and previously looked after children in England and Wales.
- Improving joint work at the local level to safeguard children and enabling better learning at the local and national levels to improve practice in child protection.
- Enabling the establishment of a new regulatory regime specifically for the social work profession in England

284. **Knowyournormal Autism**

In October 2016, 18 young people with autism sat in a room discussing what they thought was the biggest issue for autistic young people at that moment – and unanimously agreed that it was mental health. Together with UCL’s Centre for Research in Autism and Education, we (Ambitious about Autism Youth Patrons) designed and undertook research about young people with autism to gain an insight into their experience of mental health. The findings were upsetting to say the least, with four out of five saying they have experienced mental health issues, but only 4% being extremely confident in knowing who to ask for help.

Download their report, which summarizes the key findings of the research around young people with autism’s experience of mental health. You can read the full research paper here. 286. Changes to Threshold Guidance

The illustrated Threshold Guide has been revised. This version now includes further detail around what is meant by 'Thresholds of Intervention' and clear descriptors of need, as well as reference to the Assessment Triangle as set out in Working Together. The purpose of these updates is to support professionals to articulate their concerns and work with families to identify solutions that are right for them.

The illustrated Threshold Guide, as well as a Text only version of the Guide in full and the Descriptors (separately), are all available on the NSCB website. Hard copies will be circulated in the forthcoming weeks.

287. New CADS phone line

Children’s Advice and Duty Service (CADS) – what to do if you need to make a call

If you are a professional concerned about a child in Norfolk and want to speak to someone, you can call the Children’s Advice and Duty Service, on our direct line 0344 800 8021. If you are a member of the public, you can do this through our Customer Service Centre on 0344 800 8020.

For any call raising concerns about a child, CADS will ask:
- all of the details known to you/your agency about the child;
- their family composition including siblings, and where possible extended family members and anyone important in the child’s life;
- the nature of the concern and how immediate it is;
- Any and what kind of work/support you have provided to the child or family to date.

They will also need to know where the child is now and whether you have informed parents/carers of your concern.
- Consent: It is good practice and the expectation that you seek consent from parents. We acknowledge that there are occasions when to do so could put a child at risk or undermine the investigation into a serious crime. In these instances, we would accept a call without consent from the parents. Reasons for not seeking consent should be clearly stated when speaking with CADS and recorded on internal systems for your records.

The service will run Monday to Friday from 8am to 8pm.

You can continue to contact our Emergency Duty Team on 0344 800 8020. If you think it is an emergency call 999

288. NHS Healthy Apps Library

How we assess apps
Our Digital Assessment Questions make sure only safe and secure apps and digital tools are hosted in the NHS Apps Library. App providers may need to show evidence that their products pass our tests in areas such as clinical safety, data protection, security and usability, and how anyone using them could see benefits to their health and wellbeing.

Pre-qualification
App providers must answer our pre-qualification questions before they can put their product forward for full assessment and be considered for the NHS Apps Library. We currently focus on patient-facing apps that help with social care, cancer, maternity, mental health or long-term conditions such as asthma and diabetes.

Eligibility
All apps must have approval from the correct regulatory body, for example the Medicines and Healthcare Products Regulatory Agency, which makes sure that medical devices work and are safe to use.

Evidence of Outcomes
These questions make sure all apps are doing what they are supposed to do, and we ask app providers to show us how their product improves health and wellbeing.

Clinical Safety
Our clinical safety questions make sure app providers have taken all appropriate action to keep safe any patients using their product. For example, with an app that reminds patients to take their medication, app providers must give evidence that shows any risk of these reminders being incorrect has been completely removed or made as low as possible.

Please note some apps are free to download and use but some have charges attached

290. New Safeguarding Children Guide
“Nothing is more important than children’s welfare. Children who need help and protection deserve high quality and effective support as soon as a need is identified. We want a system that responds to the needs and interests of children and families and not the other way around. In such a system, practitioners will be clear about what is required of them individually, and how they need to work together in partnership with others.”

The Department for Education have updated

Working together to safeguard children
Statutory guidance on inter-agency working to safeguard and promote the welfare of children.

Working Together to safeguard children 2018

291. Guide for Children affected by parental Drug Use
A guide for local authorities and substance misuse services to help them work together to safeguard and promote the welfare of children

Details
Local authorities and substance misuse services can use this guidance to:
- understand more about parental alcohol and drug use and how it affects children
- understand the implications of Working together to safeguard children for substance misuse services
- improve joint working between local authority adult and children’s social care services and substance misuse services
- develop joint protocols between alcohol and drug treatment services and adult and children’s social care services

This guidance replaces the previous Public Health England (PHE) guide for local authorities on developing protocols between alcohol and drug treatment and children and family social care services. It complements PHE’s parental alcohol and drug use toolkit and supports cross-government policy and programmes on improving outcomes for families and children affected by parental alcohol and drug use.
292. Troubled Families Briefing Paper

Troubled Families is a programme of targeted intervention for families with multiple problems, including crime, anti-social behaviour, truancy, unemployment, mental health problems and domestic abuse.

Local authorities identify ‘troubled families’ in their area and usually assign a key worker to act as a single point of contact. Central Government pays local authorities by results for each family that meet set criteria or move into continuous employment.

This House of Commons Library briefing looks at the design, policy debate, outcomes and results of the Troubled Families programme in England, a targeted family intervention programme run by local authorities.

293. Report on Early Intervention

Realising the potential of early intervention
Published 30 Oct 2018

This major report sets out a bold plan of action to ensure effective early intervention is available to the children, young people and families who need it most.

Early intervention is as pertinent to societal concerns today – rising health and social inequalities, mental health problems among children and young people, declining social mobility – as it ever was.

However, the context for this agenda has changed significantly in recent years. Funding pressures mean councils are struggling to maintain early help and wider preventative services. Questions are being asked about what early intervention can realistically be expected to achieve against a backdrop of rising demand for support and growing concerns about childhood vulnerability.

While the case for early intervention is strong, the way ahead is not yet secure or mapped out.

This foundational report sets out the current state of play for early intervention, including how it works to support child development and to improve outcomes for children and young people. It highlights significant barriers within the current system that inhibit the potential of early intervention, and a set of key actions – four at the national level, two at the local level – that are required to really push this agenda forward.
294. Mental Capacity 16+ Nice Guideline

Decision-making and mental capacity: NICE guideline

NICE has published a guideline on decision-making in people 16 years and over who may lack capacity now or in the future. The guideline aims to help health and social care practitioners support people to make their own decisions where they have the capacity to do so. It also helps practitioners to keep people who lack capacity at the centre of the decision-making process.

295. Report on Screen-Free Learning

While digital devices have become commonplace during family time in most homes, studies show that screen-free activities have a positive impact on children’s development and health in a wide range of areas, including social skills, physical exercise, sleep and academic performance.

Research from Action for Children found that nearly a quarter of parents struggle to get their children to “unplug” and take part in activities away from television, phone and computer screens. When asked which behaviour they found most difficult to control in their children, parents said they struggled to limit technology-based activity (23%) more than getting them to eat healthily (19%), go to bed on time (18%) or do their homework (10%).

Kettler have posted on-line some guidance and advice around screen-free learning https://www.kettler.co.uk/screen-free-learning/

296. Family violence links to youth offending

The relationship between family violence and youth offending

Councils only want the best for the children and young people in their communities, but many children struggle to cope with the challenges they experience. Facing continuous family violence and without recourse to adequate help when they need it, we know that some young people go on to be involved in the youth justice system.

As local leaders councils play a key role in reducing youth offending, bringing together partners through their strategic and operational role spanning enforcement, early intervention, prevention in relation to youth offending and the provision of support to victims of violence.

By understanding the risk factors and commissioning interventions that support the protective factors, the link between family violence and youth offending can be broken.

297. #knifefree campaign
The Government has just launched a new communications campaign, aimed at reducing knife crime. The #knifefree campaign aims to change the attitudes and behaviours of young people aged between 10-21 years old in the East of England, through telling stories of real young people who have made the decision to not carry a knife.

Posters and support material is available to download from here.

298. DBS Checking Guidelines
Information regarding changes to identity (ID) checking guidelines. This is a clarification to the news story published on 2 October 2017.

New ID checking guidelines are being introduced on 24 October 2017. These guidelines will apply to all applications for standard or enhanced checks.

The new guidelines will run in parallel with the existing guidelines from 24 October 2017 to 25 January 2018, when the existing guidelines will cease to apply. We appreciate that you’ll need to make changes to relevant literature and inform your customers. Therefore, you can start using the new guidance from 24 October 2017, but have 3 months to transition fully to the new guidance.

The enhancement is being introduced so that DBS’s identity checking process is aligned with right to work checks. These state that employers must prevent illegal working in the UK by carrying out document checks on people before employing them to make sure they are allowed to work.

299. County Lines Guidance
The Home Office have issued guidance about criminal exploitation of children and vulnerable adults: county lines. The guidance outlines what county lines (and associated criminal exploitation) is, signs to look for in potential victims, and what to do about it. It does not provide information about the entirety of the county lines issue.

The document is a supplement to an organisation’s existing safeguarding policies, to help identify and protect those exploited through this criminal activity. It’s also aimed at:

- local partners in policing
- local authorities
- the voluntary sector

300. Helping Workless Families Policy
The DWP has published proposals to improve the outcomes for children who grow up in workless families and face multiple disadvantages. The Paper sets out plans to improve support given to workless families and their children to overcome the complex problems they face.

They include the next phase of the Troubled Families Programme, a new programme to reduce parental conflict, enhancing the role of Jobcentre plus in working with partners to identify people with complex need and great support to help those with drug and alcohol dependencies. The paper can be downloaded from improving-lives-helping-workless-families

301. Harmful Sexual Behaviours
NSPCC, Research in practice and Professor Simon Hackett have developed and published a Harmful Sexual Behaviours Framework. This framework aims to help local areas develop and improve multi-agency responses to children displaying harmful sexual behaviours (HSB). It seeks to provide a coordinated and consistent approach to recognising both the risks and the needs of this vulnerable group.

The framework can be downloaded from Harmful Sexual Behaviours Framework

302. Evaluation of ‘See Me Hear Me’
The University of Sussex has published a suite of documents on the pilot and evaluation of the 'See Me, Hear Me' Framework, on behalf of the Office of the Children's Commissioner. The framework sets out a child-centred multi-agency approach for preventing sexual exploitation of children.

303. Commissioning support for troubled families
This guide to commissioning parenting and family support, published by the Early Intervention Foundation (EIF), summarises the evidence to help support Troubled Families coordinators to ensure that families with complex needs receive the right evidence-based support in priority areas, such as parenting. The report provides background information on parenting in adverse circumstances and guidance on effective commissioning, evidence-based interventions and providing value for money. The slide pack, ‘Evidence to support the business case’, brings together and signposts a range of existing evaluation evidence and resources on the business case for parenting and family support.

For more information see Commissioning parenting and family support for Troubled Families
304. Children’s Well-being Report

Children’s well-being and social relationships, UK: 2018 Office for National Statistics

How children aged 0 to 15 years in the UK are coping in a range of areas that matter to their quality of life, reflecting the circumstances of their lives and their own perspectives.

Children’s quality of life is monitored using a set of 31 headline indicators designed to shed light both on their current well-being and on their future prospects. The measures include objective data (for example, participated in sport in the last week) and subjective data (such as happiness with appearance). The aim is to provide a holistic view of life in the UK for children reflecting both the circumstances of their lives and their own perspectives. This article focuses on family and social relationships but the full set of 31 measures, which includes the latest data for all the indicators where available.

305. Commissioner reports on ‘toxic-trio’

"Are they shouting because of me?" Voices of children living in households with domestic abuse, parental substance misuse and mental health issues (Children’s Commissioner)

This report presents the views of children being supported by three projects (based in London, Doncaster and Hertfordshire), all set up to support children and families living in households with mental health, parental substance misuse and domestic abuse.

Estimating the prevalence of the ‘toxic trio’. Evidence from the adult psychiatric morbidity survey. Vulnerability technical report 2 (Children's Commissioner)

New quantitative analysis on the numbers of children in England living in households where the ‘toxic trio’ of factors affecting adults may be present. The ‘toxic trio’ is the interaction of:

- Domestic violence and abuse (DV&A) within the household
- Parental substance misuse (alcohol or drugs)
- Parental mental health issues
306. Support Care Leavers in FE

These resources are for colleges in England that want to review and improve their support for Looked after Young People and Care Leavers. They consist of four key parts:

- A guide for colleges which includes information about who LAYP/CLs are, the kinds of challenges they face, their rights and entitlements to support, and what staff need to be aware of when working with LAYP/CLs.

- A set of templates and examples of documents and resources which colleges can use to provide effective support to LAYP and CLs, and which are referred to throughout the guide.

- A pack of training materials which can be adapted and used by designated members of staff to raise awareness of the needs of LAYP/CLs across their college.

- A staff induction video which was made by a group of Care Leavers to raise college staff’s awareness of the experiences of LAYP and CLs.

309. Reducing Parental Conflict Hub

The Early Intervention Foundation are an independent charity and What Works Centre which champions and supports the use of effective early intervention for children with signals of risk. EIF receives support for our activities from a wide range of funders, including individual donors, businesses, charitable trusts and foundations and local and national government. Some of this funding goes towards our core running costs, while most is used to fund projects on key issues:

- Families: supporting relationships, parents and the early years
- Promoting social and emotional skills and resilience
- High risk: protecting vulnerable children and young people
- Creating system change to support early intervention
- Investing in early intervention

The charity hosts the Reducing Parental Conflict Hub

This hub is for local leaders, commissioners, practitioners and researchers who are looking to reduce the impact of parental conflict on children. It provides a central repository of key 'what works' evidence and tools, including why parental conflict matters for children’s outcomes, and guidance on how to take action. The hub will continue to grow as new evidence and tools are created.

310. NHS Self-Help Leaflets

There are a wide range of self-help leaflets available which cover a number of issues, including mental health and common experiences (e.g. health anxiety, and sleeping problems). Each leaflet is available in a wide range of formats, including easy read, large print, British Sign Language and Audio. The leaflets are listed on the Northumberland, Tyne and Wear NHS foundation website.

311. Leaflets and Poster Service
Norfolk’s living well website offers a wide range of free, high quality health promotion materials to display and distribute in your community.

If you work in a health or community setting you play an important role in helping people to make informed choices about their lifestyle. Printed materials such as leaflets and posters act as handy visual prompts and are a useful way to complement information given verbally. Displaying posters on noticeboards or in communal areas such as waiting rooms enables you to proactively promote the campaigns that are most important to your community. Leaflets can be taken home to be digested at the reader’s own pace and saved for future reference – as well as acting as a tangible reminder to act on any advice that may have been given.

Most items also have a downloadable file so you can view the content before you order (we’ll always try to keep items in stock but if for reasons beyond our control an item is unavailable, you may wish to print this file off as an alternative).

312. Unaccompanied migrant children
Unaccompanied migrant children and child victims of modern slavery, including trafficking, can be some of the most vulnerable children in the country. Unaccompanied children are alone, in an unfamiliar country and may be surrounded by people unable to speak their first language. Modern slavery includes human trafficking, slavery, servitude and forced or compulsory labour. Exploitation takes a number of forms, including sexual exploitation, forced labour, forced criminality, begging, organ harvesting and domestic servitude and victims may come from all walks of life.

Local authorities have a duty to protect and support these highly vulnerable children. Because of the circumstances they have faced, unaccompanied migrant children and child victims of modern slavery, including trafficking, often have complex needs in addition to those faced by looked after children more generally. The support required to address these needs must begin as soon as the child is referred to the local authority or is found in the local authority area. It will be most effective where this support is provided through a stable, continuous relationship with the child.

This guidance sets out the steps local authorities should take to plan for the provision of support for looked after children who are unaccompanied asylum seeking children, unaccompanied migrant children or child victims of modern slavery including trafficking. Elements of this guidance will also be relevant for the care of looked after UK nationals who may also be child victims of modern slavery.

 Alerts:
Sign up to Trading Standards Consumer Alerts at: [www.norfolk.gov.uk/scams](http://www.norfolk.gov.uk/scams)

Consumer/Community Champions
The initiative engages and involves local community members and organisations to ensure that the residents within their community have the information and knowledge to;
- Recognise a scam and protect themselves from them
- Say NO to Rogue Traders and ensure the vulnerable in the community is safe from them

Consumer Advice:
For advice on your consumer rights, to report a scam or doorstep rogue trader contact the Citizens Advice consumer helpline on 03454 04 05 06

Friends Against Scams
As part of Norfolk Trading Standards commitment to the National Trading Standards Scams Team we are taking forward the Friends Against Scams training programme to Norfolk.

Friends Against Scams aims to protect and prevent people from becoming victims of scams by empowering communities to "Take a Stand Against Scams". This is achieved by looking to tackle the lack of scams awareness by providing information about scams and those who fall victim to them. This information enables communities and organisations to understand scams, talk about scams and cascade messages throughout communities about scams prevention and protection.
