Unfortunately, we are aware of fraudsters continuing to target our communities with attempts to steal thousands of your hard-earned pounds. The latest method these fraudsters are using is to call the victim claiming to be an officer from the police, introducing themselves as DC Green or DC Clarke from Paddington Police Station. The caller says they believe someone has cloned the victim's credit card, claiming the card has been used in London and this can be verified by calling 999. The fraudster keeps control of the phone line and when the victim has dialled 999 they receive a false message confirming the scam. The victim is then asked for their credit card details. Please do not do this, please hang up and contact Norfolk Police immediate via 101 and let us know what has happened. These fraudsters are very convincing so if you are in doubt of any call/caller, just hang up and if possible call the company/organisation back via another phone to check if the original call was genuine or not.

WHAT'S HAPPENING IN YOUR AREA?

Over the last few weeks the weather has been glorious which in turn has brought unprecedented numbers of people to our coastline to enjoy the wonderful beaches we have. The influx of visitors brought its own problems to the area with the increase in vehicle traffic. Local Policing Teams have been out and about putting out temporary No Waiting Cones in an attempt to keep our roads clear. We will continue to patrol the coastal areas with our partners to reduce illegal and dangerous parking throughout the summer.

Members of our Special Constabulary have been invaluable helping to patrol and police our local beauty spots. They are a major part of our team and we are always looking for people to join the Special Constabulary.

At the beginning of the month we helped to launch the Sandi Starfish initiative at Hunstanton Beach which is designed to help keep child safe whilst visiting the beach.
